BOLS KÜMMEL

One looks for the name Bols upon a bottle of Kümmel for the same reason one does not wear the day before yesterday's collar. It is such an obvious thing to do.

BOLS CURAÇAO

On a Curaçao, the name Bols is as important as your next-ahead-in-line's shaded stern light. It is either there, or it is not. If not, then you feel the want of it badly.

NAVAL AND GREENWICH HOSPITAL PENSIONS.

The attention of Officers on the Retired Lists, desirous of being considered in the awards of Naval and Greenwich Hospital Pensions, is directed to the necessity of applying to the Secretary to the Admiralty for the forms as to services, claims, circumstances, &c., required to be filled up by candidates.

These Pensions are established for the purpose of affording relief to such retired Officers as may be in the opinion of the Admiralty most deserving, provided they have the necessary service, &c., required to render them eligible in accordance with Articles 1928–9 of the King's Regulations and Admiralty Instructions of 1913.

NOTES.

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

The EDITOR of the NAVY LIST,
Admiralty,
London, S.W. 1,

mentioning the ship or page affected.

Such communications should NOT be sent to the Printers or Publishers. They should be marked "On His Majesty's Service," and need not be stamped.

No Appointments made after the 18th of the Month preceding publication can be inserted in the body of the NAVY LIST until the following List is published.

The following Officers must send annually between 1st January and 31st March a notification to the Editor of their being alive, otherwise their names will be removed from the List :—

Officers on the Retired List who have commuted their Retired pay.
Officers retired with a gratuity.
Officers of the late Royal Naval Artillery Volunteers.
Officers on the Emergency List of over 55 years of age.

Retired or Honorary Officers of the Royal Naval Reserve must also send annually, between the same dates as mentioned above, a similar notification to the Registrar General of Seamen in order to prevent their names being removed from the List.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the same to the Secretary of the Admiralty, in order that the necessary alterations may be made in the NAVY LIST and in the Official Records of the Admiralty.

The NAVY LIST *is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service ; but, as errors may occasionally occur, their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any Entry in the Navy List.*

By command of their Lordships,

The above list is issued for the information of Captains of His Majesty's Ships with reference to the provisions of Article 126 of the King's Regulations, under which they are authorised to ascertain whether British Merchant Ships flying the Blue Ensign of His Majesty's Fleet are legally entitled to do so under the Regulations of the Royal Naval Reserve.

The detailed Regulations issued by the Board of Trade lay down the following conditions relative to the wearing of the Blue Ensign:—

(*a*) If, from any circumstance, the Naval Reserve Officer to whom the warrant was issued is not in command of the ship, then the Blue Ensign is not to be worn.

(*b*) If the number of persons belonging to the Naval Reserve on board is less than 8, then the Blue Ensign is not to be worn unless it can be shown by the endorsements on the Agreement, or by entries in the Official Log, that the reduction in the number was caused by death, sickness, desertion, joining one of His Majesty's Ships, or by some unavoidable casualty.

(*c*) If it is found that, although the ship is provided with an Admiralty Warrant, the above-named conditions are not complied with, the Admiralty Warrant should be obtained and transmitted, with a report to the Admiralty.

(*d*) If it is found that the ship is flying the Blue Ensign without an Admiralty Warrant the Blue Ensign should be seized and the case reported to the Admiralty.

Admiralty, By command of their Lordships. (*See also page* 304.)

COMMANDER H.R.H. THE DUKE OF YORK, K.G., G.C.V.O., R.N.

President of Ladies' Committee: LADY FREMANTLE.
Hon. Secretary of Ladies' Committee: MISS BUSHNELL.
Secretary: PAYMASTER-CAPTAIN R. F. WARDROPER, R.N.

THE object of the Institution is to provide primarily for the fatherless children of our Seamen and Marines, a useful education, according to the principles of the Church of England, and to support and clothe them as far as the Funds will permit.

If accommodation is available, to receive also:—(*a*) The children of Widowers, below Warrant Rank serving in His Majesty's Navy and Marines, and (*b*) The children of other Men, below Warrant Rank, serving or who have served in H.M. Navy or Marines, when very special circumstances render it desirable that they should be so received.

These children (*a*) and (*b*) are received subject to such conditions, and on payment of such weekly sum as may be determined by the Directors.

Numbers of such children are found in our Naval Ports, surrounded by all that is distressing in poverty and vicious in morals.

In the Orphan Home there is accommodation for 130 girls; these are eligible for admission between the ages of 7 and 11 years. At Canada House, Clarendon Road, Southsea, there is accommodation for 20 infant boys and girls between the ages of 4½ and 7 years.

A certain number of children are partially maintained by Greenwich Hospital Funds, etc., but the greater number of them are entirely dependent upon the Funds of the Home for maintenance, clothing and education.

The girls are under the guidance of a capable Matron, assisted by properly qualified Instructresses; between the ages of 14 and 16 they are subject to a course of domestic training in the Home, unless they have qualified for the Secondary School course, when their schooling is continued, and every girl who shows a particular aptitude for any special subject is given facilities for pursuing her studies at the Municipal College.

Boys over the age of 7 years are sent to the Swanley Home in Kent, where they are maintained and educated until they reach the age of 14. Suitable boys who wish to go to sea are retained there until they are 16 and given special education and facilities for entering the Mercantile Marine as apprentices.

Accommodation for 44 boys, maintained by the funds of the Home, is available at Swanley.

The Directors depend upon voluntary contributions for funds to carry on the Institution; the number of children they can receive is governed by the amount of pecuniary support given. They therefore confidently appeal for help in carrying on and extending these works of usefulness; rescuing from want and misery, and educating and rendering fit for a useful and happy life the fatherless children of those who have served their Country and who, in many cases whilst thus engaged, have lost their lives in war, or by shipwreck or illness.

Visitors are cordially invited to view the Institution, which is open daily for inspection from 11 a.m. till 3 p.m., Saturdays excepted.

THE object of the Home is to provide for the fatherless children of our Seamen and Marines, and ensure them a practical training, including all household and laundry work, under a capable Matron, with a view to domestic service. Every effort is made to secure good situations for the girls on leaving the Home.

If any girl shows a particular aptitude for special work outside domestic service she is given her chance, if practicable.

To encourage those educationally inclined, "Nore Scholarships" at the Chatham Secondary School, at the expense of the Funds, have been instituted.

On 31st December, 1922, 37 girls were maintained in the Home, in addition to 38 boys maintained at Swanley and other Homes.

All denominations are accepted, and orphans of men of the R.N.R. and R.N.V.R. who have lost their lives whilst on duty in the Royal Navy, are equally eligible with those of men of the Royal Navy. Age for admission 5 to 12 years.

The Home is governed by a Committee of officers and men, who earnestly invite visitors to view the Home.

The extent of the good work of the Home depends on voluntary contributions, and all donations will be gratefully received. Donations should be sent to the Hon. Treasurer and all correspondence to the Hon. Secretary, addressing in both cases to the Royal Naval Barracks, Chatham.

GEORGE GUTHRIE'S FUND.

Education of the Sons of Scotsmen Killed or Disabled in the War.

This Fund was settled in trust as a Memorial of Lieutenant GEORGE WATSON GUTHRIE, M.B., C.M., of the Royal Army Medical Corps, who was killed in action at Beaucourt, France, on November 13, 1916.

Dr. Guthrie, who was born in 1876, was the youngest son of the Rev. David Guthrie, Minister of the Free Church of Scotland at Liberton, and was a grandson of the Rev. Dr. Thomas Guthrie of Edinburgh. He took his medical degrees at the University of Edinburgh in 1900, and then proceeded to London, where he became a house surgeon at Middlesex Hospital. Owing to a serious illness he decided to relinquish his medical career, and accepted a business appointment in South America. For some years before the War he was resident in Chili and Peru.

In 1916 he received a commission in the R.A.M.C. and was sent to France. He was attached to the Naval Division, and was killed by a shell at Beaucourt while attending to the wounded in the open field under heavy fire.

The Fund produces an annual free income of about £1,000.

The Trustees are Mr. GEORGE MACDONALD, C.B., Secretary of the Scottish Education Department; Mr. W. K. DICKSON, LL.D., Advocate, Edinburgh; the Right Hon. H. P. MACMILLAN, K.C.; Professor HARVEY LITTLEJOHN, late Dean of the Faculty of Medicine in the University of Edinburgh, and Mr. E. F. H. BRADBY, Solicitor, London.

The Trustees are directed to apply the free income of the Fund for the purpose of educating and training for professional life or for business, or maintaining during the period of education and training or assisting to educate or maintain the sons of Scottish officers, warrant officers, non-commissioned officers, and men of the Royal Navy, the Army, and the Royal Air Force, and their auxiliary services, wherever resident, who have served in the War, and who either have been killed in action, or been drowned, have died of wounds, accidents, or illness contracted in the course of their active service, or have been so disabled during such service as to be unable to give their sons such a position, education, and training as they would otherwise have been able to do.

The Trustees are to be the sole judges of the qualifications of the applicants, and as to whether the facts properly infer Scottish nationality.

In dealing with applications they are to give full weight to the character and social upbringing of the applicants, as well as to their educational attainments and capacity.

After the expiry of twenty-five years from November 11, 1918, being the date of the cessation of hostilities in the late War, the Fund is to be transferred to the University of Edinburgh for the purpose of endowing post graduate research fellowships, to be known as "GEORGE GUTHRIE'S FELLOWSHIPS."

A wide discretion has been left to the Trustees, and they have not laid down any hard-and-fast scheme with regard to the allocation of grants from the Fund. They are prepared to consider each individual case on its merits, being guided by the general principle that the purpose of the Trust is to benefit boys whose family circumstances before the War were such that they might reasonably have looked forward to becoming officers in His Majesty's Service, or to entering professional or business life, and who on account of the death or disablement of their fathers in the War are unable to obtain, or to continue, the necessary education without assistance.

The Trustees invite applications on behalf of boys who are so situated. They will also be glad to receive suggestions as to suitable cases.

All communications should be addressed to the Agents for the Trust, Messrs. Murray, Beith & Murray, W.S., 43 Castle Street, Edinburgh.

THE FLORENCE NIGHTINGALE HOSPITAL FOR GENTLEWOMEN

19, LISSON GROVE, LONDON, N.W.1.

This Hospital was founded in 1850 by VISCOUNTESS CANNING and organised by MISS FLORENCE NIGHTINGALE, who acted as the First Lady Superintendent before she left for the Crimea.

Its object is to provide gratuitous medical and surgical treatment for ladies of limited means, Governesses, Artists, Hospital Nurses, and relatives of the Clergy, Naval, Military and Professional Men.

Patients are attended by eminent Physicians and Surgeons from the Staffs of the leading London Hospitals.

The income is derived from patients' fees, which vary from £2 2*s.* to £4 4*s.* per week, equalling about half of the total expenditure, and from investments which bring in about £300. The Balance of some £3,000 has to be made up by annual subscriptions and donations.

Any further particulars, together with forms for admission, and the Report for 1922, *can be obtained from the Lady Superintendent, at the above address.*

ROYAL NAVAL SCRIPTURE READERS' SOCIETY.

Head Offices:—TRAFALGAR INSTITUTE, PORTSMOUTH.

Patron—ADMIRAL OF THE FLEET HIS MAJESTY KING GEORGE V.

President—ADMIRAL *Sir* R. NELSON OMMANNEY, K.B.E., C.B. (*retd.*).

Vice-President and Chairman—Archdeacon R. McKEW, C.B.E., D.D., *Chaplain of the Fleet.*

This Society (founded in 1860) provides trained Lay Workers for the Royal Navy and Royal Marines. The Society works only among men of the Service; it is officially recognised by the Admiralty, and it now appeals to the Service for financial help.

The Readers work in Shore Establishments at the chief Naval Ports at home. They find many opportunities to get into close touch with Service men, and to deliver their message. They render valuable help to the Chaplains under whom they work.

The serious increase in post-war expenses has not been met by a corresponding increase in receipts. The Society is now in urgent need of a larger income. Subscriptions and Donations may be sent to—

DISABILITY RETIRED PAY.

(Note.—*The regulations governing the award of pensions and gratuities to Officers in respect of injuries incurred prior to 1st October*, 1921, *are given in the King's Regulations and Admiralty Instructions*, 1913, *and earlier editions.*)

1. Consequent on the re-transfer to the Admiralty, as from 1st October, 1921, of certain powers and duties assigned to the Ministry of Pensions during the late war, the following scheme of compensation in the form of an addition to retired pay, or in certain cases, in the form of special rates of retired pay, for Officers who are suffering from disabilities (whether due to sickness or to wounds or injuries) which are directly attributable to the conditions of service on or after that date, replaces the compensation (limited to cases of wounds or injuries sustained on duty) previously provided by the regulations of Chapter LII. of King's Regulations and Admiralty Instructions, and similar regulations.

2. Except as referred to in paragraph 3 below, the scheme applies only to Officers placed on the retired list or discharged from the Service on account of sickness or injury which is certified by the Naval Medical authorities to be directly attributable to the conditions of service on or after 1st October, 1921. Cases where the sickness or injury is proved to be attributable to or aggravated by service prior to 1st October, 1921, are dealt with under Ministry of Pensions regulations and/or under the regulations of Chapter LII, King's Regulations and Admiralty Instructions, and similar regulations, where applicable.

3. In certain special circumstances, however, given in Schedule III., paragraph 6, below, the scheme applies to Officers who may sustain injuries on duty on or after 1st October, 1921, which do not necessitate their retirement or discharge, but no compensation will be payable to such Officers while they remain on the active list or continue in employment.

Digitized by Google

4. The scheme supersedes, as from 1st October, 1921, the regulations regarding wounds and injury pensions, increases to retiring allowances, and gratuities, laid down in Chapter LII., King's Regulations and Admiralty Instructions, and other similar regulations, and the provision for disability pensions to subordinate Officers laid down in Article 1921. Accordingly no awards of any kind will be made under such regulations in respect of wounds or hurts sustained or contracted subsequently to 30th September, 1921. The issue of hurt certificates to Officers should, however, be continued as at present directed in Article 1318 of the King's Regulations and Admiralty Instructions, in order to facilitate the award of compensation under these new regulations to an Officer on retirement or discharge.

5. Provision is made in the scheme for Officers of the Royal Navy and Royal Marines who may be disabled on duty while seconded to the Royal Air Force.

6. The following regulations apply generally as stated therein and above to Officers of the :—

(i) Active Lists of the Royal Navy and Royal Marines, including Temporary Officers.
(ii) Special Reserve of Engineer Officers, R.N.
(iii) Special Reserve of Officers, R.M., of certain classes.
(iv) Royal Naval Volunteer Reserve, including Temporary Officers, when on service for which pay is issued from Naval Funds.

They do not apply to Officers of the :—

(v) Retired and Emergency Lists of the Royal Navy and Royal Marines.
(vi) Reserve of Medical Officers, R.N.
(vii) Reserve of Officers, R.M.
(viii) Royal Naval Reserve.

Regulations applicable to Officers of Classes (v) to (viii) above in the given circumstances will be promulgated later.

Such disability retired pay may be paid in addition to pension provided that, if such pension includes a disablement element, regard may be had to the amount thereof in determining the award of disability retired pay under these regulations.

4. Additional retired pay on account of attributable disability shall not be granted to an Officer to whom service retired pay at the half-pay rate appropriate to his rank has been awarded, but any such Officer, if entitled to retired pay based upon age and service, may be granted in addition to such retired pay the appropriate disability addition if more to his advantage than retired pay at the half-pay rate. An Officer of the rank or relative rank of Commander in the Royal Navy or of Major in the Royal Marines if invalided under the age of 40 on account of disability certified by the competent medical authority as attributable to the conditions of service may be granted, if more to his advantage than the half-pay of his rank, the retired pay for service for which he would have been eligible if he had not been promoted to the rank or relative rank of Commander or Major together with an addition of £50 for rank and additional retired pay according to the degree of his disablement.

5. Mates and Lieutenants, Royal Navy, promoted therefrom who were Warrant Officers prior to their promotion to commissioned rank.

Second Lieutenants, Royal Marines, and Lieutenants, Royal Marines, with less than four years' commissioned service who were Warrant Officers prior to their promotion to commissioned rank.

These Officers may be granted service retired pay upon the Warrant Officers' scale with additional retired pay on account of disablement appropriate to Warrant rank and the degree of their disablement, if more to their advantage than service retired pay on the Commissioned Officers' scale with additional retired pay appropriate to their commissioned rank and the degree of their disablement.

Schedule III.

MISCELLANEOUS REGULATIONS.

1. Additional retired pay or disability retired pay under these regulations shall only be awarded in respect of the degree of disablement which is certified by the competent medical authority as attributable to the conditions of service.

2. Additional retired pay or disability retired pay under these regulations shall not be granted to any Officer whose percentage degree of disablement on retirement is certified by the competent medical authority to amount to less than 20 per cent., notwithstanding that he may have been retired on account of sickness or injury attributable to the conditions of service, but any such Officer shall be entitled to receive the retiring allowance, by way of annual retired pay or gratuity, if any, to which he would have been entitled if invalided for a cause not attributable to the conditions of service.

3. An Officer, who is ineligible for retired pay in respect of service, but to whom disability retired pay under these regulations is awarded, shall not be entitled to receive in addition any retiring allowance by way of gratuity, which might have been awarded to him under any other regulations, and if any such allowance has already been paid to any such Officer before the admission of his claims to disability retired pay under these regulations, he shall be required to refund it as a condition to the grant of disability retired pay under these regulations.

4. The assessment of additional retired pay or disability retired pay under these regulations may be increased or reduced or cancelled, when it is shown to the satisfaction of the Admiralty that the disability in respect of which it was granted has increased or decreased or ceased to exist. In all cases, the disability will be regarded as having ceased to exist when it falls below 20 per cent.

5. When an Officer has been in receipt of additional retired pay or disability retired pay under these regulations for a period of five years, a final assessment of the disability may be made for the purpose of determining a permanent rate of additional retired pay or disability retired pay, unless this has already been done, provided that, in assessing the degree of disability on which the permanent additional retired pay or disability retired pay is to be based, regard shall be had to the probable degree of disability over a period of years.

6. No compensation in respect of disability shall be payable under these regulations to any Officer, except in respect of sickness, wounds or injury on account of which he is invalided, provided that any Officer (other than an Officer retired on the half pay applicable to his rank or an Officer to whom the provisions of Rule 7 apply) may on retirement or discharge, but not later, be granted compensation in respect of a wound or injury due to the service which is recorded on any Hurt Certificate or of which there is other satisfactory evidence and for which he has not already received an award of compensation. The amount of compensation in respect of such injuries shall be at the discretion of the Admiralty, but in determining it, regard shall be had to the scale appropriate if the Officer has been invalided therefor, to the degree of disablement persisting at the date of retirement or discharge and the cause of retirement or discharge.

7. An Officer who elects to retire voluntarily will be assumed to have waived on behalf of himself and his dependants all claims to retired pay, gratuity or other grant under these regulations in respect of either disability or subsequent death, except as may be otherwise provided in regard to widows' pensions on the ordinary scale, and will not be eligible for any such retired pay, gratuity or other grant.

8. No compensation in respect of disability shall be payable under these regulations to any Officer who is already in receipt of a wound or injury pension in respect of a wound or injury sustained before the first day of October, 1921, but, should an Officer be subsequently retired or discharged in circumstances rendering him eligible for an award under these regulations in respect of another disability, he may, at the discretion of the Admiralty and if such course be to his advantage, be permitted on retirement or discharge from the service to surrender the wound or injury pension and to receive the additional retired pay or disability retired pay appropriate to the total degree of his disablement under these regulations, provided that the additional retired pay or disability retired pay shall in no case be subsequently reduced under Rule 4 of this Schedule below the amount of the wounds pension.

9. If the wound, injury or sickness for which an Officer is invalided, be due wholly, or in part to his own negligence or misconduct or to any cause within his control, any grant which might otherwise have been made to him under these regulations may be reduced or withheld at the discretion of the Admiralty.

10. Should an Officer, retired or discharged as medically unfit for further service, be suffering from two separate and distinct disabilities and be eligible in respect of one of them, for a grant under the regulations of the Ministry of Pensions and in respect of the other for a grant under these regulations, only one grant will be made in respect of both. This grant will be assessed partly under the regulations of the Ministry of Pensions and partly under these regulations

according to the proportion which the percentage of each disability respectively bears to the sum of the two percentages added together, the assessment under these regulations being so regulated, however, as to ensure that the total grant made shall be neither more than the Officer would receive if the two disabilities were dealt with as one combined disability under the regulations of the Ministry of Pensions nor less than he would receive if they were so dealt with under the regulations here set forth.

11. If an Officer be injured in circumstances which entitle him to compensation from or on behalf of a third party for the act, omission or circumstances which caused the injury, any compensation received by him may be taken into consideration in determining the amount of any additional retired pay or disability retired pay which may be awarded under these regulations, and similarly, if such compensation is received after the award of additional retired pay or disability retired pay under these regulations, it may be taken into consideration and the award under these regulations may be amended or cancelled accordingly.

12. " Rank " for the purpose of these regulations means the last substantive rank held by an Officer before retirement or discharge from the active list.

13. Where the amount of any grant payable under these regulations is dependent upon length of service, the term " service " means service as reckoned for the purpose of calculating service retired pay, except as otherwise provided in these regulations.

14. The scales of additional retired pay and disability retired pay set forth in the two preceding Schedules will be subject to reduction at the discretion of the Admiralty or or after 1st July, 1924, or earlier in the event of the cost of living falling considerably below that prevailing at the date from which the new scales take effect. Such reduction, if made, will apply to all grants of additional retired pay or disability retired pay which are being drawn at the date of reduction, as well as to future grants.

15. If an Officer of the Royal Navy or Royal Marines, who has been seconded for service with the Royal Air Force and while serving therein has been paid at Royal Air Force rates of pay, is disabled by an accident while flying on duty or from causes directly attributable to the conditions of service in the Royal Air Force, he shall be dealt with as under the Royal Air Force regulations appropriate to his rank in that Force or under Naval regulations appropriate to his rank in the Royal Navy or Royal Marines, whichever would be more to his advantage, subject to the following conditions, viz.:—

(i) Where the award under Royal Air Force regulations is dependent on length of service in a Royal Air Force rank or ranks, previous service in an equivalent, or any, Naval or Marine rank shall not be taken into account.

(ii) In the event of an Officer being invalided after return to the Royal Navy or the Royal Marines, the invaliding being directly attributable to service in the Royal Air Force, the award under Royal Air Force regulations shall not exceed that to which he would have been entitled had he been invalided on the date of his ceasing full pay in the Royal Air Force.

EFFECT OF LOSS OF SENIORITY BY SENTENCE OF COURT-MARTIAL.

The sentence of a Court-Martial, placing an officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full, Half, and Retired Pay and gratuity in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service, included in the seniority forfeited, in cases where the Full, Half, and Retired Pay and gratuity, depend upon actual service.

PROCEDURE FOR PLACING OFFICERS ON UNEMPLOYED PAY (*at any other than the Full-pay rate*) HALF OR RETIRED PAY.

1. The authority for the payment of Unemployed Pay at any other than the Full-pay rate Half-pay, or Retired Pay, to an Officer entitled thereto is given to the Paymaster-General without preliminary application on the Officer's part. At the time this authority is issued, the Officer is informed of the award and is provided with a form of application for payment, which should be completed and forwarded to the *Paymaster-General*, Whitehall, S.W. 1. The appropriate payment forms will then be issued from time to time. Special arrangements are made by the Paymaster-General in cases where Officers propose permanently to reside abroad.

All inquiries as to the *payment* of the awards referred to above should be addressed to the Paymaster-General, and not to the Admiralty.

2. Commanding Officers of H.M. Ships are to transmit to the Accountant-General of the Navy, immediately that either they or any of the Officers under their command are discharged to Half-pay, one of the returns hereinafter specified, and headed respectively "(A) Foreign Service," "(B) Home Service."

3. Whenever an Officer is discharged abroad to return to England, who will be entitled to Leave of Absence on Full-pay after arrival, the Forms headed "(A) Foreign Service," directed to be forwarded to their Lordships, the Commander-in-Chief, and the Accountant-General, are to be handed to him with his pay documents for delivery; but if he will not be entitled to such Full-pay Leave, it will only be necessary to furnish him with the Forms for their Lordships and the Accountant-General. The date of his leaving England, and also the circumstance under which he is returning home, are to be filled in previously; and should he take passage in a Ship of War, the *date of arrival* is to be inserted and certified by the Commanding Officer of the Ship in which he takes passage; should he return to England in any vessel not belonging to the Royal Navy, then the date of arrival is to be inserted and certified by the Commander or owners of such vessel.

4. The Form marked "B," applies to Officers employed on Home Service.

PROCEDURE FOR PLACING OFFICERS ON HALF OR RETIRED PAY—*continued.*

In making out this List, the following Directions are to be carefully observed :—

I. The List is to be made out in triplicate, for their Lordships the Commander-in-Chief, at the Ports where the Officers are to be borne, and the Accountant-General when Officers are entitled to Full-pay Leave, otherwise it is to be made out in duplicate, for their Lordships and the Accountant-General.

II. Foreign Service in a Ship commences on the date of leaving England, and end upon her arrival home, the time employed fitting out at home and dismantling after arrival not being reckoned as Foreign Service. If a Ship returns to England and proceeds again to a Foreign Station, the time in England is not to be reckoned as Foreign Service.

III. The Actual Foreign Service only is to be specified against each Officer. If an Officer has been checked on leave to England during his service, the period should also be stated.

IV. An Officer taking passage out in a Mail Packet or Private Ship will reckon Foreign Service from date of embarkation for passage out.

V. An Officer returning to England, if entitled to Full-pay leave after arrival, is to be borne on the book of the Depôt at whichever port is most convenient to him. The name of such Depôt should be inserted in the left-hand corner on the other side of this Form before the Officer embarks for passage to England.

VI. The Full-pay only of the respective ranks will be allowed while on leave, *excluding* Command Money to Lieutenants in Command, Senior and Gunnery Allowances, and all other additions to Full-pay.

VII. No advance or Payment on Account is to be made by the Paymasters to an Officer while on Full-pay leave; the Pay Tickets are to be forwarded from the Flagship to the Accountant General, by whom only the time on leave can be investigated and the amount due paid, when the Officer's leave expires.

VIII. By Orders in Council, it is directed that the leave is only allowed at their Lordships' discretion, on return from Foreign Service, as follows :—

For every complete six months' service abroad ... ... One week.
For every month served beyond the last period of six months ... One day.

This scale to extend to a period of five years' absence from England.

2. Cases in which the absence from England is more than five years, will be specially dealt with by their Lordships when circumstances, in their opinion, warrant the extension of some special indulgence to an Officer returning to England after such absence.

COMMUTATION OF RETIRED PAY OR OTHER PAYMENT OF THE LIKE NATURE UNDER THE PENSIONS COMMUTATION ACTS, 1871 TO 1882.

(These rules are under revision.)

The following Pensions are commutable under the provisions of the Pensions Commutable Acts, 1871 to 1882, subject to such restrictions as may be imposed :—

Retired Pay or Pensions of all Officers.
Officers' Pensions for wounds and disabilities.

The following are not commutable :—

Good Service Pensions.
Naval and Greenwich Hospital Pensions.

2. By the 2nd section of the Act of 1871, the term Officer means Commissioned Officer, Warrant Officer, or Subordinate Officer of the Navy; Officers of the Royal Marines are included.

In this memorandum Pension means Retired Pay or Pension.

3. An Officer may commute the whole or part of his Pension for wounds or injuries at any time e ther before or after retirement, subject to the proviso that, if retired, he may commute only so much thereof as will leave him with a permament pension (including other pension, if any) of not less than £120 a year.

An applicant for commutation in receipt of a double Pension (Service and Wounds) will be required to commute the Pension for wounds first.

4. (*a*) No Officer will be allowed to commute any portion of his Service Pension until he has attained the age of 40, unless he is certified, to the satisfaction of the Admiralty, to be permanently incapable of further active service.

(*b*) (i) No Officer will be allowed to commute more than half of a Service Pension of £300 or over.

(ii) No Officer will be allowed to commute so much of a Service Pension of between £180 and £300 as would reduce it below £150.

(iii) An Officer whose Service Pension is less than £180 may commute an amount not exceeding £30, provided that the total amount uncommuted is not thereby reduced below £120.

(iv) Any changes in the rates of retired pay consequent on a fall in the cost of living will be assessed on the basis of the standard 1919 rates and not on that of the actual rate received after commutation, *i.e.*, the same changes will be made as would have been made had no part of the retired pay been commuted. The limits to which commutation may be allowed will, however, be decided on the basis of the actual rate of retired pay the officer is receiving, or if he has already commuted, would be receiving if he had not so commuted, at the time of his formal application, and no account will be taken of possible *future* variations in the rate.

(*c*) In commuting a Pension or any portion thereof, there shall be charged a fee of one per cent. on the amount awarded, provided that such fee shall never be less than £1, nor more than £10 in each case.

5. An Officer desirous of commuting a part of his Pension must make application in writing to the Secretary to the Admiralty, stating his desire to commute, his date of birth, and his rank, and the amount of his Retired Pay; and he must specify either the portion he wishes to commute or the capital sum he wishes to realise.

6. If the Admiralty shall think proper to recommend the commutation, the Officer will be so informed, and his letter of application will be forwarded to the Commutation Board, from whom he will receive further instructions. The fact that an Officer's application has been recommended by the Admiralty to the Commutation Board must not be taken to imply that the application will necessarily be approved by the Commutation Board of the Treasury.

7. The Commutation Board will require him to give such information as to his health and habits as is usual in the case of persons proposing to assure their lives in assurance companies, and he will be required to submit himself for personal examination at the Office of the Board, 19, Old Jewry, London, E.C. The Commutation Acts and the Regulations framed thereunder contemplate that the necessary arrangements will be made in London, but persons abroad who desire to be exempted from personal attendance may apply to the Commutation Board accordingly, stating their reasons for making the request; and their applications will be submitted to the Lords Commissioners of His Majesty's Treasury, whose decision in the case will be final.

Officers residing abroad may be allowed to commute as a privilege provided that suitable arrangements for medical examination, etc., can be made, but it should be understood that a considerable time may elapse before payment of any capital sum awarded can be effected, especially if the applicant is residing in a distant part of the world.

Officers who intend to proceed abroad should therefore endeavour to complete all formalities before doing so. In other cases, a certain amount of time could perhaps be saved if the Officer appointed a friend or agent in England to whom the Pensions Commutation Board could communicate the result of the application and who could then advise him by cable, if desired, in advance of the formal notification posted by the Board.

8. In the event of an applicant not taking steps to complete the necessary forms, or failing to attend for medical examination when called upon to do so within seven months of an application being received by the Pensions Commutation Board, no further steps will be taken by that Board without a renewed application from the person proposing to commute, and a further recommendation from the Admiralty.

9. The basis of the commutation will be the following Table, subject to an addition of years of age in the case of impaired lives, and to a deduction of years of age as an equivalent for the right to prospective increase of Pension, if such right shall exist:—

10. Applicants for commutation will continue to draw the pension which they have applied to commute until the date upon which the Warrant for the Treasury Award is handed by the Pensions Commutation Board to the National Debt Commissioners, or until seven months have elapsed from the date upon which an application to commute was received at the Admiralty, whichever is the earlier.

The amount of money to be paid in commutation will be fixed by the Treasury on the recommendation of the Commutation Board. The applicant will then be informed of the amount, and he will have the option of withdrawing his application on the payment of a fee of £2 within 30 days after receiving that notice, but if the applicant shall not withdraw his application and pay the above fee within that period, the decision will be considered final, and the commutation will take place absolutely. Officers must not assume that the recommendation of the Commutation Board will be necessarily approved by the Treasury, and should make no arrangements depending on commutation until informed by letter from the Commutation Board of the amount awarded.

11. The Admiralty have full discretionary power to forward, or to refuse to forward, applications for commutation to the Commutation Board, especially in the cases of persons reported for neglect or desertion of family; or persons under stoppage of Pension by Bankruptcy orders; of persons likely to go abroad and leave their families a burden on the public; and such like cases.

12. If any applicant for commutation wilfully makes any false declaration in relation thereto he shall be liable to forfeit all claim to his Pension or the value thereof, and to imprisonment, or fine or both.

13. The Widows of Officers who commute will be granted Pensions according to the usual scale, provided:—

(*a*) That they married before date of commutation.

(*b*) That their husbands' names were on the List of the Navy at the time of death.

(*c*) That they are otherwise eligible for Pensions.

14. The Children of Officers who commute will be granted Children's Allowances according to the usual scale, provided:—

(*a*) That they were born before date of commutation.

(*b*) That their fathers' names were on the List of the Navy at the time of death.

(*c*) That they are otherwise eligible for Children's Allowances.

15. The Pensions to Widows of Officers who marry after commutation, and the Children's Allowances to children born after commutation will be reduced in proportion to the decrease caused in the Pension of the Officer by such commutation.

16. The claims of Officers to be awarded Naval, or Greenwich Hospital Pensions will not be affected by their having commuted their Pensions, provided their names are on the List of the Navy.

17. Retention of the names of Naval and Marine Officers who have already commuted the whole of their Pension on the List of Commissioned Officers will depend upon their reporting to the Secretary of the Admiralty, in writing, annually, between 1st January and 31st March, the fact of their being alive.

18. The retention in the Army List of the names of Marine Officers who have already commuted the whole of their Pension will depend upon their reporting themselves, in writing, half yearly, to the Secretary of the War Office, Whitehall.

19. Officers who have already commuted the whole of their Pension are not eligible as Patients in Naval Hospitals, but partial commutation does not prevent admission as such.

By Command of Their Lordships.

RETIREMENTS, &c.

GENERAL RULES.—CONDITIONS OF RETIREMENT, &c.

NOTE.—*For Tables of Full, Half, and Retired Pay, and Gratuities, see pp.* 3 *and* 34.

NAVAL OFFICERS.

I.—General Rules.

1. After retirement no increase of Retired Pay to be allowed to any Officer, except in the case of his retention in a Civil appointment at or under the Admiralty. The only addition possible will be in the form of Pension.

2. Power is reserved to the Admiralty to suspend at any time and with respect to any rank, the provisions of the Order under which an Officer may at his option retire at an age less than that fixed for compulsory retirement in each rank. It must be understood that optional retirement may be suspended in the case of any individual Officer to whose rank this clause applies without extending the suspension of optional retirement to other Officers of the rank.

The same power exists of suspending the provisions as to voluntary retirements.

3. Retirement from the Active List is not to disqualify any Officer for employment at or under the Admiralty.

3*a*. Officers appointed to technical and administrative posts, which carry with them rates of pay and pension on a civilian basis shall be supernumerary to the Established Lists whilst so employed.

4. The sentence of a Court Martial placing an Officer at the bottom of the list of his rank involves the loss of previous time of service in that rank; so also when the sentence of a Court Martial takes away any seniority from an Officer, it thereby affects his half or retired pay or pension, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the half or retired pay, pension, or gratuity, depend upon actual service; but, although the time is forfeited, it is to be considered as service in reference to compulsory removal from the Active List.

5. An Officer who, in the opinion of the Admiralty, is unfit for further employment by reason of incapacity or peculiarity of temper or other defect not amounting to misconduct and not caused by intemperate or irregular habits of life may be placed on the Retired List, irrespective of age and service.

6. (*a*) An Officer who, in the opinion of the Admiralty, by reason of an act or acts of misconduct or through intemperate or irregular habits of life has become unfit for, or, in the opinion of the Admiralty, is for any reason unworthy of, further employment, may be placed on the Retired List irrespective of Age or Service, whether he has been tried by Court-Martial or not.

(*b*) An Officer placed on the Retired List under Clause (*a*), may be granted such rate of Retired Pay, or such Gratuity, as the Admiralty may think fit, provided that the amount of Retired Pay shall in no case exceed the Half-pay to which such Officer was entitled previous to retirement, and that the amount of the Gratuity awarded shall not exceed the commutation value (as assessed by the Pensions Commutation Board) of such Half-pay; and shall be less than the amount of Gratuity to which he would have been entitled under ordinary circumstances.

No Officer may, however, be granted Retired Pay in excess of the amount to which he would have been entitled under ordinary circumstances.

(*c*) An Officer who has had long and good service, but who is not entitled under ordinary Regulations to Retired Pay or Gratuity, in consequence of forfeiture of service by sentence of Court-Martial, may be awarded such Gratuity, not exceeding five hundred pounds (£500) as the Admiralty may think fit.

(*d*) An Officer dismissed the service by sentence of Court-Martial may be awarded a Compassionate Allowance not exceeding the lowest rate of Half-pay of his rank; but the granting of such Compassionate Allowance shall be entirely at the discretion of the Admiralty.

No Officer may, however, be awarded a Compassionate Allowance in excess of the Retired Pay to which he would have been entitled, under ordinary circumstances, on retirement.

(*e*) Sub-Lieutenants of all Branches, whether dismissed the Service by Court-Martial or placed on the Retired List under Clause (*a*) may be awarded Gratuities not exceeding £50 for each year's service in these ranks, or £250 in all.

(*f*) Officers allowed to resign their commissions to avoid trial by Court-Martial may be granted such Compassionate Allowance as the Admiralty may think fit, provided that such allowance shall in no instance exceed one-third of the amount of Half-pay to which the Officer was entitled at the time of resignation, and provided also that such allowance shall not in any case exceed £100 per annum.

(*g*) Commissioned Officers from Warrant Rank, Warrant Officers, and Officers of Coast Guard other than Commissioned Officers, placed on the Retired List under Clause (*a*) may be awarded such reduced rates of Retired Pay as the Admiralty may in each case determine.

7. Nothing in the provisions of paragraphs 5 and 6 shall prejudice or affect the power of the Admiralty to discharge or dismiss Officers, or shall confer on any person who has been removed from His Majesty's Service any right to half-pay, retired pay, or pension, compassionate allowance, or gratuity.

8. Steps in rank on the Retired List do not confer any claim to increase of retired pay or of widow's pension.

9. The expression "an Officer" in these regulations shall, unless the context otherwise requires, include Commissioned Officers, Warrant Officers and Subordinate Officers of all ranks.

XIX.—Manner of Wearing Decorations, Orders, and Medals.

Knights Grand Cross and Knights Grand Commanders.

167. The insignia of Knights Grand Cross and Knights Grand Commanders, of Orders consisting of the Badge suspended from a broad ribbon over the shoulder, and the Star, are to be worn with full dress, ball dress and white full dress. With full dress the Ribbon should be worn under the epaulette and sword belt; with white full dress under the shoulder strap; and with ball dress under the coat and over the waistcoat. One ribbon and badge only is to be worn, and this is to be the senior ribbon and badge, unless a junior should appear to be more appropriate to the occasion. With full dress, on collar days, the collar takes the place of the ribbon, being worn over the epaulettes, hanging at equal distance back and front, and fastened to the shoulders by bows of white satin, one and a half inches wide; on these occasions a Knight Grand Cross or Knight Grand Commander of more than one Order wears in addition the ribbon and badge of the next senior Order.

2. With frock coat and epaulettes dress and with white dress the Star of the order only is to be worn. With frock coat and with white undress on the occasions prescribed for frock coat the Star may be worn at discretion.

3. With white undress on other occasions and with other uniform coats, except full dress, ball dress, mess dress, and mess undress, the ribbon of a Companion of the Order is to be worn; with mess dress, and white mess dress, miniature Badges but not Stars are to be worn in lieu, and with mess undress and white mess undress, Ribbons of miniatures.

Knights Commanders and Commanders.

4. The insignia of Knights Commanders and Commanders of Orders and of Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire, consisting of the Badge suspended from a ribbon round the neck, and in the case of Knights Commanders, the Star, are to be worn with full dress, ball dress, and white full dress. The ribbon should be worn inside the collar of the coat and under the necktie so that the Badge hangs outside one inch below the front of the collar or the tie.

If the Insignia of more than one Order be so worn, one ribbon and badge only is worn round the neck as described above. With full dress the ribbon and badge so worn is the senior, unless a junior appears to be more appropriate to the occasion; the other badges are worn one below the other, each suspended from a small eye stitched inside the coat, on three inches of ribbon emerging from between the buttons of the coat, commencing between the first and second buttons on the right side of the coat. With white full dress the senior badge is worn round the neck unless a junior appears to be more appropriate to the occasion; the other badges emerge from between the buttons of the coat as in full dress, but commencing one inch below the senior badge. With ball dress, the senior badge only is worn round the neck, unless a junior badge should appear to be more appropriate to the occasion. All badges are worn on the breast in miniature.

The above rule applies to such classes of British and Foreign decorations as are ordered to be worn round the neck.

5. With white dress and white undress, and with other dresses, except full dress and ball dress, the rules laid down in clauses 2 and 3 are to be observed.

Stars of Orders.

6. Stars of Orders are worn on the left side of the coat. When stars are worn, they are placed one directly above the other, the Star of the senior Order being in the upper position: when three Stars are worn, the Star of the senior Order is worn above and the Stars of the two junior Orders beneath in line with each other, the Star of the second Order being towards the wearer's right; but if in this position the stars interfere with the ribbon, the stars of the senior Order and second Order may be worn above in line with each other, the Star of the senior Order being towards the wearer's right, and the Star of the third Order beneath; when four Stars are worn, the Star of the senior Order is worn above, the Stars of the second and third Orders beneath in line with each other, the Star of the second Order being

towards the wearer's right, and the Star of the fourth Order beneath, directly below the Star of the senior Order. Not more than four are to be worn, and the order in which they are worn is to be as prescribed in Clause 9.

Badges of Companions and Members of Orders, and Medals.

7. The Badges of Companions (other than Companions of the Orders of the Bath, the Star of India, Saint Michael and Saint George and the Indian Empire) and Members of Orders are to be worn, together with Medals, with full dress and white full dress.

8. With all other dresses the rules laid down in Clause 3 are to be observed.

* These orders are not worn in miniature.

‡‡ The ribbons of these orders are not worn with Undress Uniform.

† Order of Merit is not worn in miniature, but is worn round the neck on *all* occasions, except with Undress Uniform.

§ The Indian Order of Merit (Military and Civil) is distinct from the Order of Merit instituted in 1902.

‡ If more than one of these medals are awarded for the same act of gallantry, only one medal may be worn, *viz.*, that which appears highest in the list.

The above order of Orders, Decorations and Medals, applies to those of similar grades. When the miniature or ribbon of a higher grade of a junior Order is worn with the miniature or ribbon of a lower grade of a senior Order the higher grade miniature or ribbon should come first, *e.g.*, the miniature or ribbon of a K.C.I.E. will come before a C.B., and a G.C.M.G. before a K.C.B.

(*b*) *Foreign Orders.*—In order of date.
(*c*) *Foreign Decorations.*—In order of date.
(*d*) *Foreign Medals.*—In order of date.

The ribbon of an order, decoration or medal may be assumed from the date of the official notification of the award, and may be worn when the recipient attends for investiture.

Medals awarded by Societies.

10. Medals awarded by a Society for bravery in saving human life, if specially authorised to be worn, are to be worn on the right breast similarly to those on the left and on the same horizontal line.

If the Stanhope Gold Medal is awarded to an officer or man by the Royal Humane Society, it is to be worn in place of, and not in addition to, the Silver Medal previously granted.

Bar for Decorations, &c.

11. Decorations, Badges and Medals, are to be worn on the left breast in one horizontal line, one inch below the point of the shoulder, suspended from a bar of which no part is to be seen, and commencing with the end furthest from the shoulder.

On the full dress coat the bar must not project beyond the centre seam, and when the Decorations, Orders and Medals cannot, on account of their number, be suspended from the bar so as to be fully seen, they are to overlap the highest shewing in full. With ball dress and mess dress the bar is to extend from the shoulder on the coat over the lapel if necessary.

Ribbons when Decorations, &c., are worn.

12. When Decorations, Orders and Medals are worn, the Medal ribbons are to be of the following lengths :—

Full size	...	...	...	1¼ inch
Miniature	...	...	...	1 inch

Ribbons of these lengths carry 4 clasps. If more than 4 clasps are worn the length of the ribbon is to be regulated by there being half an inch of clear ribbon between the top edge of the ribbon, and the highest clasp for full-sized medals, and ¼ of an inch for minatures, the remaining ribbons being so regulated that the centres of the medals are in line with the centre of the medal having the largest number of clasps.

Officers are to wear their medals loose, unless they have such a number as to necessitate overlapping, in which case they may at the option of the wearer, be worn in the Court method. Miniatures may be worn either loose or in the Court method. In the Court method the ribbons are mounted on a frame of which the lower edge is in line with the centre of the decorations and medals. Commencing with the lower edge of the frame each ribbon runs over the upper edge and down to the ring or clasp of the decoration or medal. The decorations and medals are stitched down to the ribbons.

Ribbons when Decorations, &c., are not worn.

13. When Decorations, Orders and Medals are not worn, the ribbons worn are to be of the following lengths :—

Full size	...	...	...	½ inch
Miniature	...	...	...	⅜ inch

With blue uniform, the ribbons are to be sewn plain on the cloth of the uniform, without intervals. With white uniform, the ribbons are to be placed on a removable bar or bars. When the space is not sufficient to accommodate them in one row, they are not to be made to overlap, but are to be arranged in two or more rows placed the one immediately under the other, with an interval of ¼ inch intervening between the rows.

Ribbons of Orders, Decorations and Medals, to wear which private permission has been given, are not to be sewn on the coat.

Miniature Decorations, Badges, and Medals.

14. Miniature Decorations, Badges of Orders and Medals are to be arranged on a bar in the same manner and order as the full-sized. Knights Grand Cross, Knights Grand Commanders, Knights Commanders and Commanders will wear on the bar, senior to all other Decorations, &c., except the Victoria Cross, the miniature Badge of the Order, or Orders, to which they belong. Only

one set of miniatures need be maintained. The miniature of companionship will not be removed when the ribbon or badge is worn by Knights Grand Cross, Knights Grand Commanders, Knights Commanders, &c. All miniatures are to be of the approved standard size, viz., one-half the size of the full-sized Decoration, Badge or Medal.

Decorations, &c., may be worn with plain dress.

15. Orders and miniature Badges, Decorations and Medals are authorised to be worn in evening dress (plain clothes) in the presence of members of the Royal Family or Viceroys, and of Governors-General, and on public and official occasions.

NOTES TO DRESS REGULATIONS.

1. By the word *collar* in seamen's dress is to be understood the detached blue jean collar.

2. *Neck-handkerchiefs* are always to be worn with Seamen's dress except by men employed coaling or re-fitting. They are to be tied behind the collar, the bight in front being confined by the strings, which, having been first tied together, are to be tied tightly in a bow over the handkerchief, leaving a bight about 3 inches long. The handkerchief should thus be firmly secured to the jumper.

3. *Knives and knife lanyards.*—Knife lanyards are to be worn round the neck by all men wearing seamen's dress, but the wearing of knives on the lanyards is optional.

Seaman branch ratings in Class II uniform are to wear the knife attached to the waistbelt when in working dress.

4. *Caps* are always to be worn, except as shown in paragraph 6. *Blue* caps to be worn with blue clothing, except as shown in paragraphs 5 and 6.

5. *White caps or cap covers* are to be worn with white clothing. They are also to be worn with blue clothing—

(*a*) At home. From 1st May to 30th September inclusive.

(*b*) Abroad. At the discretion of the Senior Naval Officer present.

6. *Sun Helmets* are to be worn on Foreign Stations by all ratings, when ordered by the Senior Naval Officer present.

Ratings dressed as seamen are to wear cap ribbons on their helmets. All other ratings are to wear the helmet without ribbon or puggaree.

Three "ribbon retainers" (wire loops made of non-rusting metal which hook under the band of the helmet) are to be used to keep the cap ribbon in place on the helmet. The ribbon is to be rove through the loops of the retainers, not merely placed behind them.

7. Caps and helmets are to be worn square on the head.

NOTES TO DRESS REGULATIONS—(*contd.*).

8. *Ribbons* on caps and sun helmets are to be worn with the name straight in front, and tied in a bow over the left ear, in such a manner that the centre of the lettering on the ribbon is over the nose.

The ends of the bow are to be of equal length, not exceeding 2 inches in length.

9. *Jerseys* are to be worn with blue clothing, and with white working dress during cold weather, as directed by the Senior Naval Officer present. [*In England, when their use is once commenced, jerseys should continue to be worn until about the beginning of April.*]*

10. *Comforters* may be worn in exceptionally cold and raw weather and during night watches when *woollen gloves* or *mitts* may be worn. In the daytime comforters are only to be worn when specially ordered, except that individuals may be permitted to wear them temporarily on the Medical Officer's recommendation. They are to be worn as follows: One turn round the throat, and a half hitch, the ends being tucked inside the jumper and trousers.

11. *Overcoats* may be worn by men on duty or leave in cold or wet weather, the Blue Jean collar being worn inside.

Petty Officers and Leading Seamen, and equivalent ratings, are to wear their badge of rating embroidered in red on their overcoats. No other badges are to be worn.

12. All *jumpers* are to be cut down 11 inches, the tapes being rove through a becket 1 inch up from bottom of opening.

The junction of the sleeve with the body is to be at the point of the shoulder.

13. *Boots* or *shoes* are to be worn when men are in blue clothing, except when decks are wet, and in hot climates.

Brown canvas shoes, of approved pattern, may be worn on board—

(*a*) With No. 5 Dress in hot climates.

(*b*) At such other times as may be authorised by the Commanding Officer.

White lace-up shoes (leather soles), without toecaps or straps, may be worn with white trousers on foreign stations by all ratings on board ship and, weather permitting, on shore, except with landing parties (when black leather boots are to be worn) or as may be specially ordered by the Senior Naval Officer.

14. *Cycling dress.*—Men cycling on duty are to wear the Service web leggings (to be supplied to them on loan).

Liberty men riding motor cycles are, if they require protective clothing and are not authorised to wear plain clothes, to wear the ordinary service pattern oilskin jacket and trousers (as worn by boats' crews) the trousers being made to fit neatly and snugly round the ankles by a strap. The wearing of plain clothes motor cycling dress with uniform cap is not allowed.

15. *Mourning.*—If men desire to wear mourning for private reasons, they are to be allowed to wear a band of black crepe, 2 inches wide, and of double thickness, round the left arm, midway between the point of the shoulder and the point of the elbow.

On occasions of public mourning the men are not to be required to wear mourning.

* Discretionary power is given to the Captains of Boys' Training Establishments on this point.

SECTION V.

REGULATIONS FOR BADGES OF RATING AND DISTINCTION.

Chief Petty Officers will not wear Good Conduct badges or badges of rating. Their rating is denoted by their distinctive cap badge.

Badges denoting special qualifications or duties are to be worn by them on each side of the collar of the long jacket, except in the case of artificers who will not wear any badges on their jackets.

Petty Officers and Men are to wear the badges denoting rating and good conduct, and special qualifications to which they are entitled, as described below.

Badges denoting rating are to be worn on the left arm, and those indicating special qualifications or duties on the right arm, in the position indicated in sketch.

Shipwrights 5th Class are allowed to wear gold collar distinction badges.

The Crown, as the emblem of authority, is combined with all Petty Officers' and Instructors' badges—as well as with the badges for Regulating Branch.

All Petty Officers, Seamen, and Marines who are temporarily employed on Regulating Branch, or patrol, duties, are to wear the Naval Patrol Armlet on the left cuff whilst actually on duty.

Badges of Rating.

The following are the badges of rating:—

(*a*) Petty Officers—Crossed anchors surmounted by a crown.

(*b*) Leading Seamen and other leading ratings—an anchor.

Good Conduct Badges.

Good conduct badges are to be worn on the left arm, the line joining the upper points of the first badge to be 5 inches from the point of the shoulder. (*See* Sketch.)

The badges are to be hemmed on to a foundation—the gold and red on a cloth foundation, blue on a drill foundation—yellow thread being used for gold badges, red thread for red badges, and blue thread for blue badges.

The edges of the foundation are to be quite plain and are to be ¼ inch from the badge.

When more than one good conduct badge is worn the distance between them is to be ¼ an inch—measured perpendicularly.

Good Shooting Badges.

Good shooting badges are to be worn by all marksmen 1½ inches above the point of the right cuff of No. 1 serge jumpers or from end of sleeve of jumpers without cuffs.

Material for Badges.

All badges worn on cloth and best serge dresses are to be embroidered in gold, those on other serge dresses in red worsted, and those on white in blue cotton.

Distinguishing Badges.—General Remarks.

A star above the badge in every case indicates a man of superior qualifications and another star below denotes that the man has passed for and is performing certain special duties.

So as not to necessitate all badges being changed when a special qualification is altered, stars are supplied independent of badges, and capable of being sewn on or removed as necessary. Spare crowns are also supplied separately, so that in case of a man being given an Instructor Rating, &c., the badge already in his possession can easily be altered.

The single gun, torpedo, or rifle, when worn, is always to point away from the body.

be 1½ inches in length, unless the number of clasps requires them to be longer, in which case there is to be ½ inch of clear ribbon between the top edge of the ribbon and the highest clasp, other ribbons being so regulated that the centres of decorations are in line with the centre of the medal having the largest number of clasps. When the number of medals worn is three or more, the medals are to overlap, the highest one showing in full.

NOTE.—Owing to the increased length of ribbon to carry the clasps, it is advisable that the ribbons of medals should be stitched together low down.

(*c*) Medals are to be worn on a removable bar, which is to be provided at the expense of the wearer. The bar may be any metal or material, provided that the bar and buckle are wholly concealed by the ribbons. A cloth attachment should be sewn on No. 1 Jackets and Jumpers so that the bar can be securely fastened.

(*d*) Medal ribbons when worn alone are to be only ½ inch in length and sewn close together on a cloth attachment which is to be stitched to the jumper or jacket in the position laid down in paragraph (*b*) for medals. When the number of ribbons worn is such that there is insufficient space to accommodate them in one row, they are to be arranged in two or more rows, with an interval of a ½ inch intervening between each row. Medal ribbons must not overlap.

(*e*) Medals are to be worn "obverse" outwards, commencing with the end farthest from the shoulder:—

REGULATIONS FOR ENTRY AND TRAINING AT THE ROYAL NAVAL COLLEGE AT DARTMOUTH, AND ON BOARD THE TRAINING SHIP.

1. No nomination is required by a Candidate for a Naval Cadetship. All that is necessary is to send an application to the Private Secretary to the First Lord of the Admiralty. Applications should not be made until the Candidate has reached 12¼ years of age.

2. Candidates must be of pure European descent, and the sons either of natural-born or naturalized British subjects. In doubtful cases the burden of clear proof will rest upon the parents or guardians of Candidates.

3. All Naval Cadets entered under these regulations are trained together, but after passing for the rank of Lieutenant, or at an earlier stage, they may be required to serve either as general service Officers or in one of the special branches, undertaking either Engineering, Gunnery Torpedo, Navigation, or other special duty.

As far as possible Officers selected for special service will be allowed to choose the branch in which they will qualify, subject to the proviso that all branches are satisfactorily filled.

Parents or guardians of Candidates for appointments as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

4. Parents or guardians are required to declare in writing their intention that the Candidate, if he obtains a Cadetship, shall adopt the Navy as his profession in life; and it is subject to this undertaking that Candidates are selected for Cadetships. Every Cadet who enters the Royal Naval College must therefore be prepared to continue his training so long as the Admiralty are satisfied with his progress, and parents are not at liberty to withdraw their sons at will.

On the entry of a Cadet, parents or guardians will be required to undertake that, in the event of his withdrawing or being withdrawn from the College, or from the Navy before being confirmed as a Sub-Lieutenant, or before reaching the age of 21, whichever is the earlier, they will pay to the Admiralty, if demanded, the sum of £40 per term in respect of each term passed by him at the R.N. College, Dartmouth, from the date of his entry to the date of his withdrawal, as a contribution towards the balance of the cost of his training and maintenance not covered by the annual payment of the fees mentioned in para. 15.

This undertaking does not apply to Cadets withdrawn at the request of the Admiralty.

5. Entries take place three times a year, in January, May, and September.

Candidates for entry in January must be more than 13 years and 4 months but not more than 13 years and 8 months of age on the preceding	...	1st December
Do. do. May	do. ...	1st April
Do. do. September	do. ...	1st August

The qualifying Examinations are held in December, March and July, and the appointments of successful candidates date from the 15th January, 15th May and 15th September following, respectively, *e.g.* :—

Candidates born on or between—	Eligible for Examination in—	Eligible for entry in—
1st April (1912) and 31st July (1912)	Dec. (1925)	Jan. (1926)
1st Aug. (1912) and 30th Nov. (1912)	Mar. (1926)	May (1926)
1st Dec. (1912) and 31st Mar. (1913)	July (1926)	Sept. (1926)

6. All Candidates (except those being educated in the Dominions or Colonies, who have received special recommendations from the Dominion or Colonial authorities under para. 9) will be required to present themselves before a Committee, which will interview each applicant separately about one month before the date of the qualifying examination.

The applications must be received at the Admiralty:—

For the January entry before 16th October.
Do. May do. do. 16th January.
Do. September do. do. 16th May.

Appointments to Naval Cadetships are made by the First Lord from among Candidates recommended by the Committee, and all such appointments are subject to the Candidate passing a Medical Examination (*see* par. 7) and a Qualifying Examination in educational subjects (*see* para. 8).

The fact, however, of a Candidate being invited to appear before this Committee is not to be understood as in any degree implying that he will necessarily be chosen to attend the qualifying examination.

Travelling and other expenses incurred in connection with interview and medical examination cannot be recovered from the Admiralty.

* Candidates are eligible only for one Interview and Qualifying Examination.

7. Every Candidate must be in good health, and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and be in all respects well developed and active in proportion to his age. Before undergoing the Qualifying Examination he is required to pass the medical examination according to the prescribed regulations, and must be found physically fit for the Navy.

It should be particularly noted that full normal vision—as determined by Snellen's tests—is required. Details of the physical requirements of Candidates are shown on page 119. A Medical Board of Appeal has been instituted to meet cases in which the Parent or Guardian of a Candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, together with a physician, or a surgeon, or a specialist, nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications.

In the event of the rejection on medical grounds of a Candidate who would otherwise have been selected for the Qualifying Examination, the Parent or Guardian will at once be informed that, subject to the payment of a fee of four guineas, the Candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the Parent or Guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant General of the Navy.

8.† The Qualifying Examination is in the following subjects:—

(1) English (including writing from dictation and reproduction of the gist of a short passage twice read aloud to the Candidates).

(2) History and Geography, with special reference to the British Empire.

(3) Arithmetic and Algebra (two-thirds of the questions in this paper will be on Arithmetic. The use of Algebraic symbols and processes will be allowed).

Arithmetic.—The simple and compound rules, avoirdupois weight, linear and square and cubic measures, the elementary mensuration of rectangular surfaces and volumes, measure of capacity (pints, quarts, gallons), the metric system (the metre, gramme and litre with their multiples, and sub-multiples), money (including the relationship of the cent to the dollar, and the centime to the franc), reduction, factors, the addition, subtraction, multiplication, division and simplification of vulgar fractions, non-recurring decimal fractions, simple proportion, ratio and percentage, simple interest.

Algebra.—The meaning of algebraic symbols, substitution of values, easy identities, equations of the first degree, including simultaneous equations, verification of the solution of equations, problems leading to simple equations, multiplication and division by binomial operator, easy factors (excluding sum and difference of cubes), fractions with numerical denominators.

(4) Geometry.—The paper will consist of questions both on Practical and on Theoretical Geometry.

All Candidates must be provided with a ruler graduated in inches and tenths and also in centimetres and millimetres, a small set square, a protractor, pencil compasses, and a hard pencil.

Any proof of a proposition will be accepted which appears to the Examiner to form part of a systematic treatment of the subject. Simple deductions from specified theorems will be set.

Proofs of the validity of constructions will not, as a rule, be expected, but they may be asked for.

Practical Geometry.

Theoretical Geometry.—The facts stated in the following theorems, together with riders on them, but without formal proofs of the theorems:—B, 1-11. Formal proofs of the following theorems, together with riders on them:—B, 14-19, 21, 22.

Note.—Schedules of the Geometry are attached to the regulations issued, and may be obtained on application to the Admiralty. The numbers in the Schedules correspond to those in the Geometry Schedule of the Common Examination for entrance to Public Schools, as reprinted from the Cambridge University Ordinances.

(5) French, with an oral examination, to which importance will be attached.

(6) Latin (easy passages for translation from Latin into English and from English into Latin, and simple grammatical questions).

The list of successful Candidates will be published in alphabetical order.

9. The Governments of certain Dominions and Colonies are allowed to recommend specially (through the Secretary of State for the Colonies) a certain number of Candidates annually from among boys belonging to families resident in the Dominions and Colonies.

Unless such Candidates, however, actually reside and receive their education in their own Dominion or Colony, they must be also recommended by the Interview Committee, and must in any case pass the Qualifying Examination and the Medical Examination.

10. Successful Candidates who are the sons of Officers of the Royal Navy, Royal Marines, Army, or Royal Air Force who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly and wholly to War service, or have died of disease attributable to active service, may be appointed as King's Cadets.

* Should any case occur where a selected Candidate is prevented by illness from attending the Qualifying Examination, the Admiralty will consider whether special arrangements can be made for him to be examined by the Head Master of the Royal Naval College, Dartmouth, at the beginning of the ensuing term.

† Papers set at the examination may be obtained on payment from the following:—Clarendon Press Depository, 116, High Street, Oxford; Humphrey Milford, Amen Corner London, E.C.4; Cambridge University Press, Fetter Lane, London, E.C.4; and Deighton, Bell & Co., Trinity Street Cambridge.

King's Cadets will be entitled to the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of their Naval training :—

(1) The grant of an outfit allowance of £40 on the first entry.

(2) The remission of fees at Dartmouth.

(3) The remission of private allowance after leaving Dartmouth.

In cases where the above conditions are fulfilled by Cadets already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of training fees, and private allowance.

King's Cadets will be eligible for Children's Allowances as prescribed by the Regulations, but will not receive Educational Allowances.

Applications for King's Cadetships must be received a month before a Cadet is due to join Dartmouth.

11. Naval Cadets will undergo a course of instruction at the R.N. College, Dartmouth, extending over 11 terms or 3¾ years. On passing out of Dartmouth they will be sent to sea for a further period of training as Naval Cadets before being rated Midshipmen.

12. The following are the approximate dates for the beginning and the end of the three terms at the College and the lengths of the vacations :—

16th Jan. to 8th Apr. Four weeks at Christmas. (vacation).

6th May to 4th Aug. Four weeks at Easter. (vacation).

22nd Sept. to 21st Dec. Seven weeks at Midsummer (vacation).

13. The friends of the Cadets must be prepared to receive them during all the Vacations.

14. All Naval Cadets while at the Royal Naval College, Dartmouth, and while serving with the Fleet, shall be subject to the Regulations respecting Cadets in force for the time being.

15. For Cadets entering under these Regulations, payment will be at the rate of £150 per annum for the period under training at the College, to be paid in sums of £50 every term in advance on receipt of a claim from the Accountant-General of the Navy, to whom cheques crossed "Bank of England" should be made payable. But the Lords Commissioners of the Admiralty reserve the power of selecting from among the Cadets entered on each occasion a number not exceeding 30 per cent. of the entries, with respect to whom reduced fees will be allowed, viz., 10 per cent. at fees of £40 per annum, 10 per cent. at fees of £70 per annum, and 10 per cent. at fees of £100 per annum (to be paid in sums of £13 6*s.* 8*d.*, £23 6*s.* 8*d.* and £33 6*s.* 8*d.* respectively every term in advance). A proportion of those admitted at the reduced scales will be sons of officers of the Royal Navy, Royal Marines, Army or Royal Air Force or of Civil Officers under the Board of Admiralty, the reduced scales being reserved for such boys up to a maximum of 10 per cent. of the total entries on each occasion. The reduced scales will be allowed only in cases where the pecuniary circumstances of the parents are, in the opinion of the Lords Commissioners of the Admiralty, such as to justify it. *Forms* of application for admission at the reduced scales will be issued in respect of all candidates who are selected* after the interview to attend the Qualifying Examination, and when duly filled in should be returned as soon as possible *by such parents as desire to make application for the reduced scale.*

Claims will be made upon the Parents or Guardians by the Accountant-General of the Navy for the sums payable as they become due, and the money should be at once remitted.

16. In addition to the above payments, any expenses incurred by a Cadet for clothing, sports, books, instruments, washing, &c., as well as the allowance of 1*s.* a week paid as pocket-money, are included in the personal account sent to the Parent from the College as soon as possible after the end of each term.

17. No pay is allowed by Government to the Cadets in the College, except in the case of Cadet Captains, who receive a small weekly allowance.

The pay of Cadets in the Training Ship is 1*s.* a day, or 4*s.* a day if sent to an ordinary sea-going ship, and not to a Special Cadets' Training Ship, and that of Midshipmen is 5*s.* a day. These rates are subject to revision.

18. The fees specified in paragraph 15 will cease on the Cadet leaving Dartmouth. Parents or Guardians will then be required to make on behalf of the Cadet, until he reaches the rank of Midshipman, a private allowance at the rate of £50 a year if sent to a Training Ship, or 1*s.* a day if sent to an ordinary sea-going ship. This allowance will be claimed periodically by the Accountant-General of the Navy.

19. The Parent or Guardian of every Cadet is required to provide outfit under the regulations in force.

20. All travelling expenses for Cadets are advanced by the Paymaster of the College, who will charge the sum to the Cadet's personal account.

21. Inasmuch as the Cadets have a weekly allowance paid to them as pocket-money, and a charge is made to pay the expenses attending their amusements, it is unnecessary that their friends should give them any money except on joining, or on their return from the Vacations, and the amount should then be reasonable. Such money as may be required by a Cadet for any special circumstances will be advanced by the Paymaster under the authority of the Captain.

22. Any valuable Gold Watches or Chains brought by Cadets to the Colleges will be taken from them and placed in security until the Cadets return home. Silver Watches may be used.

23. Instructions to Cadets joining the College for the first time will be sent by the Commanding Officer. Cadets rejoining the College will be expected to make their own arrangements for doing so.

24. Cadets are to bring their linen clean, and Clothes and Boots in good order, when they join the College, and also when they return from leave, and the outfit, as specified on the next page, must be complete. A list of the clothes left behind will be sent with the Cadets when they go on leave.

25. Cadets are not permitted to open accounts with Tradesmen. Parents and Guardians are requested not to allow their sons' outfitters to supply clothes or other articles without their authorisation.

26. Each Cadet on joining and on returning after the Vacations is required to produce a health certificate—signed by his parent or guardian, *not earlier than the day before the Cadet's return*—to the effect that, so far as is known, he has not for at least three weeks immediately preceding his return been exposed to any infectious disease, or entered any house where such disease had existed. A certificate drawn up in the necessary form, is sent to each Parent, and failure on the part of the Cadet to produce this certificate, duly filled up and signed, on his return will entail his *not being received.*

In the event of a Cadet being placed on the Sick List, information is always sent to his Parents or Guardians, who are also kept informed of the progress of the patient should the illness be in the slightest degree serious.

* *Parents abroad will, however, be furnished with forms of application prior to this selection if they so desire.*

27. Letters relative to the Cadets should be addressed to:—"*The Commanding Officer*, Royal Naval College, Dartmouth," or "*The Commanding Officer*, H.M.S. ——, *c/o G.P.O., London*," if the Cadet is serving afloat, and not to the Captain by name.

Parents or Guardians of Cadets must inform the Admiralty and the Commanding Officer of the College or the Ship in which the Cadet is serving of any permanent change of residence without delay.

28. The course of study includes the following subjects:—

Mathematics pure and applied.
Science, with laboratory work, Mechanics Electricity.
Chemistry, Heat, Optics, Sound.
Engineering with workshop practice and Mechanical Drawing.
Seamanship, with Gunnery and Torpedo while under training at sea.
Navigation.
French.
English Grammar and Composition.
English Literature.
History, including Naval History
Geography.
Selected subjects from list of "General Subjects."
Bible Study.
Drill and Physical Training.

29. In all subjects of instruction, the principle will be followed of giving merit marks for current work. At the end of each term the Cadet's proficiency and progress will be tested partly by examination and partly by the marks gained for current work.

30. The passing-out examination of Cadets is representative of all subjects studied at the College, with the exception of Religious Knowledge and the General Subjects, which do not form part of the official examination. Marks for work done during previous terms are combined with the marks directly awarded in the examination, and marks are also awarded for Officer-like qualities.

First, Second and Third Classes will be awarded and the class obtained in passing out from the College counts afterwards towards promotion to the rank of Sub-Lieutenant, promotion being accelerated according to the following scale:—

For a First Class	...	2 months.
For a Second Class	...	1 month.

The amount of time awarded is subject to revision.

31. Cadets may be required to withdraw at any time if in the opinion of the Lords Commissioners of the Admiralty:—

(1) They fail to reach a satisfactory standard, or
(2) Their conduct is unsatisfactory, or
(3) They are unsuitable for the Naval Service.

32. It is to be distinctly understood that the period of training, including the time spent as a Cadet in a sea-going Ship, is a time of probation, and the parent or guardian of a Cadet is required to withdraw him immediately on the receipt of an official request for his withdrawal.

33. When a Cadet is found to be making insufficient progress a letter is sent to his Parent or Guardian warning him of the possibility of having to withdraw the Cadet unless a marked improvement takes place. This warning is generally issued a term in advance, to enable the Parent provisionally to make other arrangements for continuing the boy's education in case his withdrawal should become necessary.

By Command of their Lordships,
O. MURRAY.

ENTRY AS NAVAL CADETS OF CANDIDATES FROM THE TRAINING SHIPS "CONWAY" AND "WORCESTER," AND THE NAUTICAL COLLEGE, PANGBOURNE.

The following arrangements are in force for the entry as Naval Cadets of candidates from the above establishments:—

1. Boys to be eligible to compete must have been at least six terms in the "Conway," "Worcester," or at the Nautical College, Pangbourne (including the term in which they are examined) and must be more than 16 years 8 months and not more than 17 years 0 months of age on the

1st December 1st April 1st August	for examination in the preceding	October-November. February-March. May-June.

Candidates must be of pure European descent and the sons of either natural-born or naturalised British subjects. In doubtful cases, the burden of clear proof will rest upon the candidate.

Parents or Guardians of Candidates for appointments as Naval Cadets must undertake for them that they are prepared to serve in any branch if required.

2. Candidates are required to appear before a Committee at the Admiralty* and to pass at the same time a medical examination as to their physical fitness for the Navy. This interview and medical examination is held so far as possible on the same day, in October–November, February–March, and May–June respectively. The interview is undertaken by the Selection Committee then sitting to interview candidates for the R.N. College Dartmouth.

3. Those who are accepted as a result of the interview and medical examination are required to sit at a qualifying examination which is held at the R.N. College, Greenwich, about a week later. Papers are set on syllabuses corresponding as far as possible with the syllabuses of the three establishments, in the following subjects:—

Compulsory	Mathematics (1). English. History and Geography. General Science. French or Spanish. Navigation.
Optional	Mathematics (2). Electricity and Mechanics.

A fee of £2 is charged to each candidate sitting at the qualifying examination. Candidates not accepted for this examination are not, however, charged a fee, but travelling and other expenses incurred in connection with the interview and medical and qualifying examinations cannot be recovered from the Admiralty.

4. The Admiralty do not bind themselves to take any particular number of candidates, but no limit is placed upon the number of candidates satisfying the conditions in paragraph 1 coming forward for interview.

* NOTE.—If accommodation is not available in the Admiralty, the interview may take place at some other convenient place in London. The medical examination is held at the Medical Department, 68, Victoria Street, London, S.W. 1.

5. The examination results are completed and selections made by about the 15th December, 15th March and 15th July immediately following the examination, in order to allow boys who fail to pass sufficient time to make other arrangements for their future.

6. Boys selected for entry as Cadets are appointed Naval Cadets and sent to a Reserve Fleet Ship for a course of one year, the date of commencement of the course being about:—

15th January for boys examined in October-November.

15th May for boys examined in February-March.

15th September for boys examined in May-June.

7. During this period, the Cadets are subject to the same regulations as are, for the time being, laid down for Special Entry Cadets, and parents are required to provide an outfit and to make on behalf of the Cadet a private allowance at the rate of £50 per annum as laid down for the Special Entry Cadets.

8. At the end of the course on board the Training Ship, a passing-out examination is held, and those Cadets who pass are rated Midshipmen and then come under the ordinary regulations laid down for Officers of that rank. Those who obtain a first-class on passing out are granted two months' time, and those who obtain a second class one month's time, the adjustment being made at the stage of confirmation as Sub-Lieutenant.

9. On being rated as Midshipmen, Cadets entered under this system are eligible for promotion under the same conditions as Cadets trained at the R.N. College, Dartmouth, except that the amount of time awarded is limited to two months as stated in paragraph 8.

10. The Admiralty reserve the right of amending these arrangements from time to time, but as much notice as possible will be given of any alterations made.

11. All applications for entry as Naval Cadets under this scheme must be made through the Commanding Officer of the establishment, to which the candidate belongs, and not to the Admiralty direct, and must be accompanied by the following certificates:—

(*a*) Certificate of birth,

(*b*) Do. conduct.

(*c*) Do. ability to swim.

(*d*) Do. time served in training ship or at the Nautical College, Pangbourne.

The name and address of the parent or guardian must also be supplied.

SPECIAL ENTRY OF NAVAL CADETS.

REGULATIONS FOR THE SPECIAL ENTRY OF NAVAL CADETS.

(NOTE.—*The Admiralty reserve the right of amending these regulations from time to time, but as much notice as possible is given of any alteration.*)

1. An examination for appointments to Naval Cadetships (special entry) is held by the Civil Service Commission twice a year, in June and November. The examination is a joint one for the Navy, Army and Air Force, at which candidates may compete also, subject to their satisfying the necessary conditions as to age, &c., for Appointments as Paymaster Cadets, R.N., First Appointments in the Royal Marines (when such are offered), or for entry into the Royal Military Academy, Woolwich, the Royal Military College, Sandhurst, or the Royal Air Force (Cadet) College, Cranwell (*see* paragraph 11). The number of Naval Cadetships offered for competition under the special entry scheme will be notified in the Press from time to time.

The examination is held in London and in certain other centres, a list of which may be obtained on written application to the Secretary, Civil Service Commission, Burlington Gardens, London, W. 1. The interview and the oral and practical tests will, however, take place only in London.

2. In order to be eligible for examination, a candidate must have attained the age of 17½ and must not have attained the age of 18½ on the undermentioned dates :—

For the June Examination - - 1st July.
For the November Examination - 1st November

Every candidate will be required to furnish the Civil Service Commissioners, as soon as called upon to do so, with an extract from the register of his birth, or, if this cannot be obtained, a certificate of his baptism or other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate giving the exact date of his birth.

3. Candidates must be of pure European descent and the sons either of natural-born or naturalised British subjects. In doubtful cases the burden of clear proof will rest upon the Candidate.

Candidates must be unmarried.

A Candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commisson in the Royal Navy,

4. A form of application,* to be filled in by the candidate, may be obtained on written application to the Secretary, Civil Service Commission, Burlington Gardens, London, W. 1, and the form, duly filled up, must be returned to the Secretary, Civil Service Commission, by the date specified thereon.

The fee for the examination in London will be 4*l*.

For candidates desiring to undergo the written part of the examination at any other centre, the fee will be 5*l*., in addition in some cases to a local fee payable to the College or School authority.

5. The Candidate will be required to state on application whether he desires to enter the Executive Branch of the Royal Navy, or the Engineering Branch, or if he is prepared to enter either, to state his order of preference.

Candidates who enter the Executive Branch may be required, after passing for the rank of Lieutenant or at an earlier stage, to serve either as general service Officers, or in one of the special branches, undertaking either Gunnery, Torpedo, Navigation or other special duty. As far as possible, Officers selected for special service will be allowed to choose the branch in which they will qualify, but this is subject to the proviso that all branches are satisfactorily filled and parents or guardians of candidates must undertake for them that they will be prepared to serve in any branch, if required.

6. Applicants, before being admitted to the examination, must satisfy the Civil Service Commissioners that they are eligible in respect of character and record, and must produce either School Certificate A or School Certificate B†, obtained by passing one of the following examinations :—

The School Certificate Examination of the Oxford and Cambridge Schools Examination Board,
The School Certificate Examination of the Oxford Delegacy for local Examinations,

The School Certificate Examination of the University of Durham,
The General School Examination of the University of London,
The School Certificate Examination of the Northern Universities Joint Matriculation Board,
The Senior Certificate Examination of the Central Welsh Board.

Provided that in place of School Certificate A or B, a candidate may produce evidence of having passed the Matriculation Examination of London University or any other examination which, in the opinion of the Civil Service Commissioners, is of equivalent or higher standard. Provided further, that a candidate educated in Scotland or Northern Ireland may, in place of School Certificate A or B produce a certificate from the Scottish Education Department or the Ministry of Education for Northern Ireland, showing that he has attained a standard equivalent to that of the School Certificate of the Oxford and Cambridge Schools Examination Board; and that a candidate educated in the self-governing Dominions or elsewhere overseas must produce evidence satisfactory to the Civil Service Commissioners of having attained a suitable standard.

7. As part of the scheme of examination, all candidates who satisfy the foregoing conditions will be required, irrespective of whether or not they have competed at a previous examination, to present themselves before a Committee which will sit at the Civil Service Commission, Burlington Gardens, London, W.1. The Committee will interview each candidate separately, on dates prior to the written examination in the case of candidates attending in London for the whole examination, and during the oral and practical

* NOTE.—The forms of application are ready for issue about four months before the date of each examination.

tests in the case of other candidates. Marks will be awarded by the Committee on the results of this interview and the particulars obtained from the candidate's school (or schools) as to his conduct, abilities, past training and general promise of suitability, and no candidate awarded less than 140 marks, the maximum being 400, will be accepted.

This interview will take the place of the interview formerly arranged by the Admiralty; all communications regarding it must be made to the Secretary, Civil Service Commission, and not to the Admiralty as heretofore.

8. Candidates will also be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy or Officer deputed by him, at 68, Victoria Street, London, S.W.1, and must be found physically fit for service in the Royal Navy. This examination will be held, as far as possible on the same occasion as the interview referred to in the preceding paragraph. Candidates must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and they must be in all respects well-developed and active in proportion to their age. No candidate will be entered unless he has been vaccinated and revaccination may also be required if considered necessary.

Details of the physical requirements for candidates are contained in Appendix I.

9. A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, a physician or a surgeon or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications.

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director-General of the Medical Department, Admiralty, within a week of the first Medical Examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

10. The subjects of examination, with the marks obtainable in each subject, will be found in Appendix II. Any further particulars regarding the examination must be obtained by written application to the Secretary, Civil Service Commission, Burlington Gardens, W.1.

11. A candidate for a Naval Cadetship may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time, without payment of any additional fees, for examination for—

(i) a Paymaster Cadetship;
(ii) a First Appointment in the Royal Marines;
(iii) admission to the Royal Military Academy, Woolwich;
(iv) admission to the Royal Military College, Sandhurst;
(v) admission to the Royal Air Force (Cadet) College, Cranwell;

in which case he must express definitely his order of preference before the examination begins. In no circumstances may a candidate change his order of preference after the examination has commenced.

A candidate may say that if he is not among the first (so many) successful competitors for the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst, or the Royal Air Force Cadet College, Cranwell (as the case may be), he may elect for a Naval Cadetship, but cases may arise in which it would not be possible to give effect to such conditional preference.

Regulations relating to the other Cadetships mentioned above may be obtained on application as indicated below —

Paymaster Cadetships, Royal Navy—
From The Secretary of the Admiralty
Whitehall, London, S.W.1.;

First Appointments, Royal Marines—
From The Adjutant-General, Royal Marines,
Admiralty,
Whitehall, London, S.W.1.;

Admission to the Royal Military Academy, Woolwich, and to the Royal Military College, Sandhurst—
From The Under Secretary of State,
War Office, Whitehall,
London, S.W.1.;

Admission to Royal Air Force (Cadet) College, Cranwell—
From the Secretary,
Air Ministry.
Kingsway, London, W.C.2.

12. Before entry as Naval Cadet, a certificate by the school or other responsible authorities must be forwarded to the Secretary of the Admiralty, to the effect that the candidate is able to swim at least 50 yards. A Cadet must also produce on joining a health certificate to the effect that he has not suffered from, or been exposed to, infectious disease during the previous 30 days.

13. Successful candidates will, on receipt of the certificate of ability to swim, be entered as Naval Cadets and appointed for 12 months' training as such, divided into three terms, in one of H.M. Ships in Reserve. Cadets will be required to join the training ship about the middle of September (if successful at the June examination) or the middle of January (if successful at the November examination). The date of first joining will be notified to the candidates by the Admiralty. Leave is usually granted in the training ship for the following periods :—

At Christmas :—Four weeks, approximately.
At Easter :—Four weeks, approximately.
In the summer :—Four weeks, approximately.

During this period of training, Naval Cadets entered through the special entry will be subject to the same regulations as Naval Cadets generally. They will be regarded as on probation, and a Cadet may be required to be withdrawn at any time, if in the opinion of the Admiralty,

(i) he fails to reach a satisfactory standard; or
(ii) his conduct is unsatisfactory; or
(iii) he is considered unsuitable for the Naval Service.

14. On completion of the 12 months' training, Cadets are rated Midshipmen, subject to passing the qualifying passing-out examination, and from this point come under the ordinary regulations for Naval Officers.

15. Parents or guardians are required to make on behalf of a Cadet, a private allowance at the rate of 50*l.* per annum during his period as a Naval Cadet. This allowance, which will be claimed by the Accountant-General of the Navy, periodically in advance, is utilised to provide for all necessities incidental to the Cadet's training (*e.g.*, purchase of books, &c.) and is in no way a personal allowance to the Cadet himself. Private allowance, together with the Cadet's pay of 1*s.* a day and the allowance for messing, should normally be sufficient to meet

Digitized by Google

his expenses, other than clothing, travelling expenses and expenses when on leave, but should this not be the case, the deficit, which would probably be of small amount, would be chargeable to the parent or guardian. The Admiralty consider it undesirable that young Officers should have the control of large sums of money, and arrangements can be made for travelling expenses and any money which may be required for any special circumstances to be advanced by the Accountant Officer of the Officer's ship, with the authority of the Commanding Officer, and recovered from the parent or guardian. Private allowance ceases on a Cadet being rated Midshipman, but parents or guardians must be prepared, during the period as Midshipman, to give the Officer some small assistance. On promotion to Acting Sub-Lieutenant (normally after two years four months as Midshipman) an Officer should be able, with reasonable economy, to meet all his expenses, other than for uniform, out of his pay.

16. The parent or guardian of every Cadet is required to provide him with an outfit as laid down in the regulations for the time being in force. A list of the articles required under present regulations is given in Appendix III. Certain additional uniform is required on being rated Midshipman, and an Officer, on promotion to Acting Sub-Lieutenant, is required to provide himself with the uniform of a Commissioned Officer. On confirmation as Sub-Lieutenant, a grant of 50*l.* is made towards the cost of uniform, under certain conditions as to refund, if the Officer does not remain in the Service.

17. Successful candidates who are the sons of Officers of the Royal Navy, Royal Marines, Army, or Royal Air Force, who have been killed in action, or have died of wounds received in action, whether afloat or ashore, or have died through the destruction of their ship, or have been drowned or have suffered other violent death due directly or wholly to war service, or have died of disease attributable to active service, may be appointed as King's Cadets, and granted the following privileges in cases where the Admiralty are of opinion that substantial help is needed towards the expenses of Naval training :—

(1) The grant of an outfit allowance of 40*l.* on first entry; and (2) the remission of private allowance.

Applications for King's Cadetships should not be made until the results of the Civil Service examination are known, and should then be addressed to the Secretary of the Admiralty.

In cases where the above conditions are fulfilled by Cadets already in the Service, the Admiralty may, at their discretion, authorise the remission of all future payments in respect of private allowance.

King's Cadets will be eligible to continue in receipt of children's allowances as prescribed by the regulations, but will not receive educational allowances.

18. Parents or guardians of Naval Cadets must in all cases of a permanent change of residence inform the Admiralty and the Commanding Officer of the training ship.

19. These regulations do not apply to Naval Cadetships at the R.N. College, Dartmouth, all communications regarding which should continue to be addressed to the Admiralty.

APPENDIX I.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR SPECIAL ENTRY CADET SHIPS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries.

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

For near vision they must be able to read D. = 0.6 without glasses with each eye. A high degree of Hypermetropia will disqualify.

This lower standard will only be accepted on the clear understanding that these Officers will undergo a further test of eyesight on the completion of their Sub-Lieutenant's examination at the Schools, and a further examination if considered necessary on attaining the age of 25.

Officers will be regarded as unfit for the Service if the standard at either of these later tests falls below $\frac{6}{9}$ in one eye and $\frac{6}{12}$ in the other, except tha Officers may be accepted for the Engineering Branch, so long as their eyesight is not below $\frac{6}{9}$ in one eye and $\frac{6}{12}$ in the other.

5 Impaired hearing, or discharge from one or both ears, or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus, or disease of the naso-pharynx.

9. Undue swelling or distension of the abdomen, obesity, disease or enlargement of the abdominal

Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to, provided the general condition of the teeth is good.

organs. Rupture, weakness or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele, when it clearly forms or is likely to form a serious impediment to the efficient performance of duty, *e.g.*, when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

He must produce an extract from the Register of the date of his birth; or, in default, a declaration made before a Magistrate, from one of his parents or other near relative, stating the date of birth.

2. He must declare:—

(1) His age and date and place of birth.

(2) That he is of pure European descent* and the son of either natural born or naturalised British subjects.

(3) That he labours under no mental or constitutional disease or weakness, nor any other imperfection or disability which may interfere with the most efficient discharge of the duties of a Medical Officer in any climate.

(4) That he is ready to engage for general service at home or abroad, as required.

(5) Whether he holds, or has held any commission or appointment in the public services.

(6) That he is registered under the Medical Act giving the date of his registration as a medical student, or of his beginning professional study.

(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director General, Medical Department, Admiralty, S.W.1, to permit of reference to the Candidate's Medical School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the Candidate's character, conduct, professional ability and fitness to hold a commission in the Royal Navy.

5. The Candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a Board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination which will be held twice a year. (*See* heading Examinations, section 16.)

7. The appointments announced for competition will be filled from the list of qualified Candidates, arranged in order of merit; but, should it at any time be considered expedient to grant Commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than six Candidates according to requirements, specially recommended by the governing bodies of such Colonial Universities as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual half-yearly examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each Subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the Candidate's Dominion or Colony, or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

10. A Candidate will not be allowed to compete at more than two examinations.

Regulations as to Acting Surgeon Lieutenants.

11. A Candidate successful at the entrance examination will be appointed as Acting Surgeon Lieutenant in the Royal Navy and will be required to pass through such courses as the Admiralty may decide. (*See* under the heading Examinations.) At the end of the courses the Acting Surgeon Lieutenant will be examined, and, after he has passed, will be given a commission as Surgeon Lieutenant in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon Lieutenant who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Greenwich and Haslar Courses, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, he will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval Funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement.

12. A gold medal, a silver medal and three Navy Regulation pocket cases will be awarded as prizes in connection with these examinations; and the Gold Medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A Candidate who at the time of passing the examination for entry into the Medical Branch of the Royal Navy holds or is about to hold an appointment as Resident Medical or Surgical Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed one year. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Resident Medical or Surgical Officer in a Civil Hospital. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. The seniority of surgeons on entry will be determined by the sum total of the marks they obtain at the London examination and the examinations at the conclusion of their probationary period as Acting Surgeon Lieutenant. Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Resident Medical Officer or Surgical Officer to a recognised civil hospital will retain the position in the list which they obtained on entry, and when their period of service as Resident Officer is over, they will join the next "Acting Surgeon Lieutenants' Course," and will be required to obtain qualifying marks. Surgeon Lieutenants entered without competition will take seniority next after the last Surgeon Lieutenant entered at the same time by competition.*

* *See* Clause 7 of the Regulations for Entry.

15. Surgeon Lieutenants on entry are required to provide themselves with a regulation pocket case of instruments.

15*a*. Acting Surgeon Lieutenants under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress), omitting white trousers, sword and belt. No candidate shall be considered eligible who obtains less than 50 per cent. of marks in each subject. The examination will be held in London and will occupy four days.

The Regulations as to examination for and promotion to the higher ranks are included in the King's Regulations and Admiralty Instructions, while particulars as to pay, retirement, etc., are shown in the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

Post-Graduate Instruction and Examination for the Rank of Surgeon Commander.

17. The Post-Graduate Instruction of Naval Medical Officers will consist of two distinct courses:—

(i) A five months' course prior to advancement to Surgeon Commander;
(ii) A second course of three months' duration for Officers of any seniority.

Course (i), which is compulsory for all Surgeon Lieutenant-Commanders will be followed by an examination before the Medical Examining Board in London, the successful passing of which will be a qualification for promotion to the rank of Surgeon Commander. The course is to be taken as the exigencies of the Service permit, but not before an Officer has the seniority of two years as a Surgeon Lieutenant-Commander. The courses will take place twice a year.

The subjects of study and examination will be—

Compulsory:—

Digitized by Google

Should he again be unsuccessful, he will be compulsorily retired with such gratuity as the Admiralty may see fit to grant up to a maximum of £1,000, but not exceeding £100 for each year's service.

Instruction in clinical pathology and hygiene will be given at the Naval Medical School; the remaining subjects will be studied at civil hospitals in London, as may be arranged from time to time by the Medical Director-General of the Navy.

The Surgeon Lieutenant-Commanders going through the course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President. Their instruction throughout will be under the immediate supervision of the Professor of Hygiene, appointed in charge of studies.

Course (ii) is not compulsory, but is designed to afford Officers the opportunity of refreshing their general knowledge of surgery and medicine, and of making themselves familiar with modern advances. There will not be any fixed syllabus of instruction or examination, but arrangements will be made in each case by the medical Officer in charge of studies at Greenwich to meet individual requirements, and a report will be made by this Officer to the Medical Director-General at the close of the course. The Officers attending this second course will also be accommodated at Greenwich.

(6) That he holds a recognised degree in Dental Surgery, and is registered under the Dental Act as qualified to practise dentistry in Great Britain and Ireland, giving the date of his registration as a Dental Student, or of his beginning professional study;

(7) Whether he has previously been examined for entry in the Naval Service, and, if so, when.

3. The certificates of registration and birth must accompany the declaration, which is to be filled up and returned as soon as possible, addressed to the Director-General, Medical Department, Admiralty, S.W. 1, to permit of reference to the candidate's Dental School.

4. The Dean or other responsible authority of such school will be requested by the Medical Director-General to render a confidential report as to the candidate's character, conduct, professional ability, and fitness to hold a commission in the Royal Navy.

5. The candidate will then be interviewed by the Medical Director-General, and his physical fitness will be determined by a board of Naval Medical Officers. The Medical Director-General will then decide whether he may be allowed to compete.

6. If accepted, he will be eligible to present himself at the entrance examination. (*See heading Examinations, Section* 15.)

7. The appointments announced for competition will be filled from the list of qualified Candidates arranged in order of merit; but should it at any time be considered expedient to grant commissions beyond those periodically competed for, the Admiralty have power to admit annually not more than two Candidates according to requirements, specially recommended by the governing bodies of such Dominion or Colonial Dental Schools as may be selected and whose qualifications are recognised by the General Medical Council.

Candidates so proposed are to be approved by the Director-General of the Medical Department of the Navy.

They will have to pass a physical examination before a Board of Naval Medical Officers in their Dominion or Colony, and will be required to register their qualifications on arrival in England. They will be allowed, if they wish it, to compete at the next examination for entrance, and take their position according to the order of merit. Should they decide not to compete they will be placed at the bottom of the list. It will, however, be in any case necessary for them to pass a qualifying test at the time of the usual examinations, when they will be required to obtain a minimum of 50 per cent. of the total marks allowed in each subject. In case of failure in this test examination the Admiralty will not undertake to defray the cost of the return journey to the candidate's Dominion or Colony or other expenses thereby incurred.

8. A fee of £1 will have to be paid by each candidate to enable him to take part in the competition.

9. Candidates who have served in the Officers' Training Corps, and who are in possession of the Certificates laid down in the regulations for that Corps, will be credited at the entrance examination with additional marks as follows: Candidates in possession of Certificate A will receive 3 per cent. and those who possess Certificates A and B, 6 per cent. of the maximum number of marks allotted. Candidates who have served during the War in the Royal Navy, Army or Air Force, either as Officers, or men, but who have not been members of the Officers' Training Corps will be accorded 3 per cent. credit if their services are under one year and 6 per cent. if over that period.

10. A candidate will not be allowed to compete at more than two examinations.

11. A candidate successful at the entrance examination will be appointed as Acting Surgeon-Lieutenant (D) in the Royal Navy, and will be required to pass through such courses as the Admiralty may decide. (*See under the heading Examinations.*)

* If any doubt should arise on this question the burden of clear proof that he is qualified will rest upon the candidate himself.

Digitized by Google

At the end of the courses the Acting Surgeon-Lieutenant (D) will be examined, and, after he has passed, will be given a commission as Surgeon-Lieutenant (D) in the Royal Navy. The commission will date from the day of passing the entrance examination. An Acting Surgeon-Lieutenant (D) who fails to qualify at the above examination, that is to say, who fails to obtain at least 50 per cent. of the marks in each subject at the examination at the end of the Haslar Course, will, if he so elects, be allowed a second trial at the next examination, and, should he qualify, will be placed at the bottom of his original list; but should he again fail, his appointment will not be confirmed, and he will be required to withdraw. During the period intervening between the two examinations he will be allowed no pay from Naval funds, and the period will not be counted as service for either promotion, withdrawal with gratuity, or retirement.

12. A Gold Medal will be awarded as a prize in connection with these examinations; and the gold medallist will have a distinguishing mark after his name in the Navy List, provided he obtains at least 75 per cent. of the aggregate maximum marks in the London and Haslar examinations combined.

13. A candidate who at the time of passing the examination for entry into the Dental Branch of the Royal Navy holds or is about to hold an appointment as Dental Officer in a recognised civil hospital, may be allowed to serve in such civil appointment provided that the period of such service after the date of entry into the Royal Navy does not exceed six months. Pay from Naval funds will be withheld from Officers while thus serving, but the time concerned will reckon for increase of full and half pay while on the active list, and retired pay or gratuity on retirement or withdrawal, except that no Officer will be allowed to retire on a gratuity until he has completed four years' service exclusive of the time spent as Dental Officer in a civil hospital. The eligibility of this appointment to count for time will be decided by the Medical Director-General.

14. Acting Surgeon Lieutenants (D) under training may, if they wish, provide themselves with those articles of uniform only which are required for dresses No. 5 (Undress) and No. 7 (Mess Undress) (*vide* "Regulations" Appendix to the Navy List), omitting white trousers, sword and belt. On receiving commissions as Surgeon-Lieutenants (D) they must provide themselves with the complete outfit of uniform prescribed by the regulations.

Examination for Entry.

15. Candidates will be examined by the examining board in the following subjects:—

Dental Surgery, including Dental Pathology and Therapeutics, Oral Hygiene and Oral Prosthetics.

The examination will be partly written and partly practical. Marks will be allotted under the following scheme:—

Operative Surgery	400
Prosthetics (practical)	400
Paper	400
Oral	400
	1,600

No candidate shall be considered eligible who obtains less than 50 per cent. of the marks in each subject. The examination will be held in London and will occupy four days.

Course of Study and Examination for Acting Surgeon Lieutenants (D).

16. The course of instruction for Acting Surgeon Lieutenants (D) will be one month in duration and will take place at R.N. Hospital, Haslar. A Senior Dental Officer will be appointed on the Staff of the Surgeon Rear-Admiral, Haslar, to superintend these studies and fill the post of lecturer. At the conclusion of the Haslar course an examination will be held as detailed in paragraph 11.

The seniority of Surgeon Lieutenants (D) on entry will be determined by the sum total of the marks they obtain at the London examination and the examination at the conclusion of their probationary period as Acting Surgeon Lieutenant (D). Their names will then be placed in the Official Navy List. Candidates who hold or are about to hold a post as Dental Officer to a recognised civil hospital will retain the position in the list, which they obtained on entry, and when their period of service as Dental Officer at such civil hospital is over they will join the next "Acting Surgeon Lieutenants" (D) course, and will be required to obtain qualifying marks. Surgeon Lieutenants (D) entered without competition will take seniority next after the last Surgeon Lieutenant (D) entered at the same time by competition.* Particulars as to pay, retirement, etc. are shown in the "Regulations" Appendix to the Navy List under the Tables of Full and Half Pay, and under the Rules for Retirement.

17. A Post-Graduate Course of three months' duration will be allowed to Surgeon Lieutenant-Commanders (D) of over two years' seniority. The Surgeon Lieutenant-Commander (D) going through this course will be accommodated at the Royal Naval College, Greenwich, and will be under the general control of the President, and the Dental Assistant to the Medical Director-General, Admiralty. This Course is not compulsory but is designed to afford Senior Officers the opportunity of refreshing their general knowledge of dentistry, and making themselves familiar with modern advances. A report will be made to the Medical Director-General by the Dental Assistant to the Director-General at the end of the course.

Under very special circumstances a Dental Officer taking this course may be allowed, by permission of the Medical Director-General to take the three months' course at the Dental Hospital outside London at which he formerly studied. If this is approved the Dean of his Dental Hospital will be asked to forward to the Medical Director-General, Admiralty, a confidential report on his abilities, and particulars of his attendance during his course.

REGULATIONS FOR THE ENTRY OF PAYMASTER CADETS, ROYAL NAVY.

NOTE.—The Admiralty reserve the right of amending these regulations from time to time, but as much notice as possible is given of any alterations.

1. An examination for appointments to Paymaster Cadetships, R.N., is held by the Civil Service Commission twice a year, in June and November. The examination is a joint one for the Navy, Army and Air Force, at which candidates may compete also, subject to their satisfying the necessary conditions as to age, &c., for appointments as Naval Cadets (special entry), or for entry into the Royal Air Force (Cadet) College, Cranwell (*see* paragraph 11).† The number of Paymaster

* See Clause 7 of the Regulations for Entry.

† *Note.*—Candidates for Paymaster Cadetships cannot be eligible, on account of age, to compete at the same examination for first appointments in the Royal Marines, or for admission to the Royal Military Academy, Woolwich, or the Royal Military College, Sandhurst.

Cadetships offered for competition is notified in the Press from time to time. One service nomination in addition is offered annually (*see* paragraph 17).

The examination is held in London and in certain other centres, a list of which may be obtained on written application to the Secretary, Civil Service Commission, Burlington Gardens, London, W.1. The interview and the oral and practical tests will, however, take place only in London.

2. In order to be eligible for examination, a candidate must have attained the age of 17, and must not have attained the age of 18 on the undermentioned dates :—

For the June examination { 1st September following.
For the November examination { 1st February following.

Every candidate will be required to furnish the Civil Service Commissioners, as soon as called upon to do so, with an extract from the register of his birth, or, if this cannot be obtained, a certificate of his baptism, or other documentary evidence, accompanied by a statutory declaration made by one of his parents or guardians before a magistrate, giving the exact date of his birth.

3. Candidates must be of pure European descent and the sons either of natural born or naturalised British subjects. In doubtful cases, the burden of clear proof will rest upon the parent or guardian of the candidate. Candidates must be unmarried.

A candidate will not be accepted if he is not, in the opinion of the Admiralty, in all respects suitable to hold a commission in the Royal Navy.

4. A form of application, to be filled in by the candidate, may be obtained on written application to the Secretary, Civil Service Commission, Burlington Gardens, London, W.1, and the form, duly filled up, must be returned to the Secretary, Civil Service Commission, by the date specified thereon.*

The fee for the examination in London will be 4*l*.

For candidates desiring to undergo the written part of the examination at any other centre, the fee will be 5*l*., in addition in some cases to a local fee payable to the College or School authority.

5. Applicants, before being admitted to the examination, must satisfy the Civil Service Commissioners that they are eligible in respect of character and record, and must produce either School Certificate A or School Certificate B, obtained by passing one of the following examinations :—

The School Certificate Examination of the Oxford and Cambridge Schools Examination Board;
The School Certificate Examination of the Oxford Delegacy for Local Examinations;
The School Certificate Examination of the Cambridge Local Examinations and Lectures Syndicate;
The School Certificate Examination of the University of Bristol;
The School Certificate Examination of the University of Durham;
The General School Examination of the University of London;
The School Certificate Examination of the Northern Universities Joint Matriculation Board;
The Senior Certificate Examination of the Central Welsh Board;

Provided that, in place of School Certificate A or B†, a candidate may produce evidence of having passed the Matriculation Examination of London University or any other examination which, in the opinion of the Civil Service Commissioners, is of equivalent or higher standard. Provided further that a candidate educated in Scotland or Northern Ireland may, in place of School Certificate A or B, produce a certificate from the Scottish Education Department or the Ministry of Education for Northern Ireland, showing that he has attained a standard equivalent to that of the School Certificate of the Oxford and Cambridge Schools Examination Board, and that a candidate educated in the self-governing Dominions or elsewhere overseas must produce evidence satisfactory to the Civil Service Commissioners of having attained a suitable standard.

6. As part of the scheme of examination, all candidates who satisfy the foregoing conditions will be required, irrespective of whether or not they have competed at a previous examination, to present themselves before a Committee which will sit at the Civil Service Commission, Burlington Gardens, London, W.1. The Committee will interview each candidate separately, on dates prior to the written examination in the case of candidates attending in London for the whole examination, and during the oral and practical tests in the case of other candidates Marks will be awarded by the Committee on the results of this interview and the particulars obtained from the candidate's school (or schools) as to his conduct, abilities, past training and general promise of suitability, and no candidate awarded less than 140 marks, the maximum being 400, will be accepted.

This interview will take the place of the interview formerly arranged by the Admiralty; all communications regarding it must be made to the Secretary, Civil Service Commission, and not to the Admiralty as heretofore.

7. Candidates will also be required, irrespective of whether they have been passed fit in connection with a previous examination, to present themselves for medical examination, according to the prescribed regulations, before the Medical Director-General of the Navy or Officer deputed by him at 68, Victoria Street, London, S.W.1, and must be found physically fit for service in the Royal Navy. This examination will be held, as far as possible, on the same occasion as the interview referred to in the preceding paragraph. Candidates must be in good health and free from any physical defect of body, impediment of speech, defect of sight or hearing, and also from any predisposition to constitutional or hereditary disease or weakness of any kind, and they must be in all respects well-developed and active in proportion to their age. The case of short-sighted candidates, in other respects fit, will be specially considered. No candidate will be entered unless he has been vaccinated and revaccination may also be required if considered necessary.

Details of the physical requirements for candidates are contained in Appendix I.

8. A Medical Board of Appeal has been instituted to meet cases in which the parent or guardian of a candidate is not satisfied with the result of the Official Medical Examination. This Appeal Board will consist of the Director-General of the Medical Department of the Navy, together with a physician or a surgeon or a specialist nominated by the Medical Consultative Board, according to the nature of the alleged disqualification or disqualifications.

* *Note.*—The forms of application are ready for issue about four months before the date of each examination.

† At the examinations due to be held in June, 1925, and November, 1925, candidates for Paymaster Cadetships will be allowed to compete without producing the School Certificate or its equivalent.

Digitized by Google

In the event of the rejection on medical grounds of a candidate, the parent or guardian will at once be informed that, subject to the payment of a fee of four guineas, the candidate may present himself for re-examination by the Appeal Board, and that if an appeal is desired notification must be made by the parent or guardian to the Director-General of the Medical Department, Admiralty, within a week of the first medical examination. The notification must be accompanied by a cheque for four guineas made payable to the Accountant-General of the Navy.

9. The subjects of examination, with the marks obtainable in each subject, will be found in Appendix II. Any further particulars regarding the examination must be obtained by written application to the Secretary, Civil Service Commission, Burlington Gardens, W.1.

10. A candidate for a Paymaster Cadetship may, if he so desires, and provided he fulfils all the necessary conditions, present himself at the same time, without payment of any additional fees, for examination for

(i) A Naval Cadetship (special entry); or
(ii) Admission to the Royal Air Force (Cadet) College, Cranwell;

in which case he must express definitely his order of preference before the examination begins. In no circumstances may a candidate change his order of preference after the examination has commenced.

11. A candidate may say that if he is not among the first (so many) successful competitors for the Royal Air Force Cadet College, Cranwell, he may elect for a Paymaster Cadetship, but cases may arise in which it would not be possible to give effect to such conditional preference.

Regulations relating to the other Cadetships mentioned above may be obtained on application as follows:—

Naval Cadetships (special entry), from The Secretary of the Admiralty, Whitehall, London, S.W.1.
Admission to the Royal Air Force (Cadet) College, Cranwell, from The Secretary, Air Ministry, Kingsway, London, W.C.2.

12. Before entry as Paymaster Cadet, a certificate by the school or other responsible authorities must be forwarded to the Secretary of the Admiralty, to the effect that the candidate is able to swim at least 50 yards. A Cadet must also produce on joining a health certificate to the effect that he has not suffered from, or been exposed to, infectious disease during the previous 30 days.

13. Successful candidates will, on receipt of the certificate of ability to swim, be entered as Paymaster Cadets and appointed for 12 months' training as such, six months of which are spent in one of H.M. Ships in Reserve and six months in sea-going ships of the Fleet. Paymaster Cadets will be required to join the training ship about the middle of September (if successful at the June examination) or the middle of January (if successful at the November examination). The date of first joining will be notified to the candidates by the Admiralty. Leave is usually granted in the Reserve Fleet training ship for the following periods:—

At Christmas:—Four weeks, approximately.
At Easter:—Four weeks, approximately.
In the summer:—Four weeks, approximately.

During this period of training Paymaster Cadets are subject to the regulations for the time being in force respecting such Cadets. They will be regarded as on probation, and a Cadet may be required to be withdrawn at any time if, in the opinion of the Admiralty,

(i) he fails to reach a satisfactory standard; or
(ii) his conduct is unsatisfactory; or
(iii) he is considered unsuitable for the Naval Service.

At the end of the 6 months' training in the training ship, a professional examination is held, on the results of which the order of seniority as Paymaster Midshipman is determined.

14. On completion of the 12 months' training, Paymaster Cadets are rated Paymaster Midshipmen, subject to obtaining a certificate of competency, and from this point come under the ordinary regulations for Naval Officers.

15. Parents or guardians must be prepared to give an Officer some small assistance during his period as Paymaster Cadet and Paymaster Midshipman, but the rate of pay (4*s.* a day to a Paymaster Cadet and 5*s.* a day to a Paymaster Midshipman) with the allowance for messing, should normally be sufficient to meet his expenses, other than clothing, travelling expenses and expenses when on leave. The Admiralty consider it undesirable that young Officers should have the control of large sums of money, and arrangements can be made for travelling expenses and any money which may be required for any special circumstances to be advanced by the Accountant Officer of the Officer's ship with the authority of the Commanding Officer and recovered from the parent or guardian. On promotion to Paymaster Sub-Lieutenant, an Officer should be able, with reasonable economy, to meet all his expenses, other than for uniform, out of his pay.

16. The parent or guardian of every Paymaster Cadet is required to provide him with an outfit as laid down in the regulations for the time being in force. A list of the articles required under present regulations is given in Appendix III. Certain additional uniform is required on being rated Paymaster Midshipman, and an Officer, on promotion to Paymaster Sub-Lieutenant, is required to provide himself with the uniform of a Commissioned Officer. On confirmation as Paymaster Sub-Lieutenant, a grant of 50*l.* is made towards the cost of uniform, under certain conditions as to refund if the Officer does not remain in the Service.

17. Candidates who are the sons of officers of the Royal Navy or Royal Marines who have been killed in action or who have been lost at sea on active service, or killed on duty, or who have died of wounds received in action or injuries received on duty within 6 months from the date of such action or injury, or who have performed long and meritorious service, are eligible for selection for nomination as the Service Candidate. The candidate selected as Service Candidate is required to satisfy the conditions of examination prescribed in Appendix II., and to obtain a sufficient number of marks to qualify, including the minimum for Interview and Record, but is otherwise exempted from the competition.

After entry, his place on the list of Paymaster Cadets is, however, governed by the marks obtained in the same way as other Candidates.

The Service nomination is usually offered at the June examination, but if, for any reason, it is not then utilised, it may be given instead at the following November examination.

Applications to be considered for the Service nomination should be addressed separately to the Secretary of the Admiralty not later than the date on which the application to take the Civil Service examination is forwarded to the Civil Service Commission, as prescribed in paragraph 4. The award of the Service nomination will be notified by the Secretary of the Admiralty.

18. Parents or guardians of Paymaster Cadets must, in all cases of a permanent change of residence, inform the Admiralty and the Commanding Officer of the Cadet's ship.

APPENDIX I.

PHYSICAL REQUIREMENTS FOR CANDIDATES FOR PAYMASTER CADETSHIPS IN THE ROYAL NAVY.

With a view to preventing Candidates who may be physically unfit for His Majesty's Service from incurring the inconvenience and expense of preparing for commissions in the Royal Navy, it is suggested that they undergo examination by the medical adviser of the family, or any other qualified medical practitioner, to whom the following list of defects which cause rejection may be submitted for guidance.

It is to be understood that this private examination is merely suggested as a guide for intending Candidates and to lessen the chances of disappointment, and that it is by no means intended to take the place of, or to influence in any way, the regular Official Physical Examination.

1. A weak constitution, imperfect development, physical weakness, either hereditary or from chronic disease, wounds, or injuries

2. Skin disease, unless temporary or trivial.

3. Malformation of the head, deformity from fracture or depression of the bones of the skull, impaired intellect, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision, squint, imperfect perception of colours, fistula, lachrymalis, or any chronic disease of the eyes or eyelids. For candidates for Paymaster Cadetships, full normal vision is not required, but any defects of vision must be due to errors of refraction which can be corrected to normal by glasses, and vision without glasses must in any case be not less than $\frac{6}{24}$ with each eye (Snellen's test type) and the candidate must be able to read D. = 0·6 (Jaeger's type), each eye being tested separately.

5. Impaired hearing, or discharge from one or both ears, or any disease of the external, middle, or internal ear.

6. Disease of the bones of the nose, or of its cartilages, nasal polypus, or disease of the naso-pharynx.

7. Disease of the throat, tongue, palate, or tonsils; many unsound teeth,* unhealthy gums, disease of the glands of the throat or neck, external cicatrices, if at all extensive, and especially if adherent.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, or any symptoms of lung disease or tendency thereto.

9. Undue swelling or distension of the abdomen, obesity, disease, or enlargement of the abdominal organs. Rupture, weakness, or distension of the abdominal rings; any disease of the bladder or incontinence of urine.

10. The existence of any serious defect of the genital organs, or of varicocele, when it clearly forms or is likely to form a serious impediment to the efficient performance of duty, *e.g.*, when it is associated with varicose veins or piles.

11. Paralysis, weakness, impaired motion, or deformity of the upper or lower extremities, from whatever cause; a varicose state of the veins, especially of the leg. Bunions, distortion or malformation of the hands, feet, fingers, or toes.

12. Distortion of the spine, of the bones of the chest, or pelvis, from injury or constitutional defect.

I.e., 10 defective or deficient teeth in persons above the age of 17—a tooth being considered as defective when it cannot be made permanently serviceable by dental repair. Credit is also given for teeth which have not erupted. Candidates must, however, possess some sound opposing molars and incisors. The numbers given above are intended as a general guide, and are not necessarily strictly adhered to provided the general condition of the teeth is good.

7. The vacancies for appointment as Apprentices to the various trades in His Majesty's Dockyards (*vide* the Regulations for Dockyard Apprentices) will be partly filled by Candidates at this examination who fail to obtain appointments as Artificer Apprentice, provided they are sufficiently high on the Examination List, and are eligible in all other respects. If they wish to be considered Candidates for these apprenticeships they must make the necessary application before attending the examination, in the manner provided by the Regulations for Dockyard Apprentices.

8. The List of Candidates for appointments by open competition is kept at the office of the Civil Service Commissioners. All applications for the forms to be filled up by persons who wish to compete must be sent to the Secretary, Civil Service Commission, Burlington Gardens, London, W. 1, on or after the 1st January in each year, *and care must be taken that the Forms when filled up reach the Civil Service Commissioners on or before the 1st March following* (or if that date should fall upon a Sunday or public holiday, then on or before the first day thereafter, on which their office is open), as no notice will be taken of forms received after that date.

(b) Candidates with Service Claims.

15. A limited number of Candidates will be entered in July after passing a qualifying examination in April in the subjects laid down for competitive Candidates. Candidates will be nominated by the Lords Commissioners of the Admiralty from the list of Candidates recommended by the Admirals commanding the Home Ports and Fleets, and Stations abroad, the Admiral Commanding Reserves and the Adjutant-General, Royal Marines, but must enter for the open competition as laid down in para. 8 above.

16. These Candidates will be selected from the sons of Commissioned Officers, Warrant Officers, Chief Petty Officers, Petty Officers (N.S.) and 1st Class Petty Officers (O.S.) of the Royal Navy; Commissioned Officers, Warrant Officers and Non-Commissioned Officers, of or above the rank of Sergeant, of the Royal Marines; Established Writers of the Civil Establishments; Draughtsmen and skilled Artisans of the Dockyards, not below the rank of Chargeman.

17. Parents, if serving, should apply for a recommendation for an appointment for their sons, through the Captain of their Ship, who will transmit the request to the Commander-in-Chief of the Station; or, if not serving, they should apply to the Commander-in-Chief at the nearest Home Port. Royal Marines, if not serving afloat, should apply to the Adjutant-General, Royal Marines. All applications should be made in good time for consideration, in order that the necessary particulars of the Candidates recommended may reach the Admiralty by the 1st February.

In all cases a full statement of the father's services and of the family circumstances must be given.

In allotting these nominations, preference will be given to orphans whose fathers have been killed in action, or who have been lost at sea on active service, or killed on duty, or who have died of wounds in action or injuries received on duty within six months from the date of such action or injury. The names of boys falling under these categories who are ineligible solely because their fathers were below the grade specified in para. 16, may be included in the recommendations for nominations if considered deserving and suitable Candidates. These names will be considered after those of Candidates mentioned in para. 16.

In exceptional circumstances men holding the ranks mentioned in par. 16 may apply for a recommendation for boys to whom they stand in the position of guardian. Before forwarding any such recommendation the Commander-in-Chief should obtain independent and satisfactory evidence that the boy has been brought up by his guardian for 5 years of more. This evidence should be forwarded with the recommendation.

(c) Candidates recommended by Educational Authorities and Commanding Officers of Territorial Cadet Units.

18. A limited number of Candidates will be entered in January each year from a list of boys recommended on account of their educational attainments and general suitability by Educational Authorities throughout the United Kingdom, provided they are found physically fit for entry into the Royal Navy.

In cases where members of Territorial Cadet Units have left school and are unable to obtain nomination by an Educational Authority the recommendation of the Officer Commanding the Unit will be regarded as the equivalent of an educational recommendation for this purpose.

Candidates are expected to have educational attainments at least equal to those of boys who enter by open competition. They should have spent at least one year in a School providing education of a Secondary or Higher Grade Elementary type: but if in any case the recommending Authority is fully satisfied that the Candidate, although he may not satisfy the above condition, has the necessary educational attainments as a result of attendance at an Evening Continuation School offering higher instruction, or otherwise, special application may be made to the Admiralty for this condition to be waived.

Recommendations must reach the Admiralty not later than 1st October each year, and no recommendation received after that date will be considered.

19. These Candidates will be required to undergo an examination which will be held locally on the third Tuesday in October each year. The examination papers will be set by the Admiralty, and will be the same for all Candidates, the arrangements for holding the examination being made by the Educational or Territorial Cadet Force Authorities concerned.

CONDITIONS OF SERVICE UNDER TRAINING.

20. On entry, Artificer Apprentices will be provided with a free outfit, and will be placed on the books of the Mechanical Training Establishment at Portsmouth, where they will be attached for training. During their training Artificer Apprentices will be berthed and victualled in this Establishment and will be subject in all respects to Naval Discipline. Under certain conditions and at the request of their parents or guardians living in the immediate neighbourhood, Artificer Apprentices will be allowed leave to stay at their homes on alternate Saturdays and Sundays.

EDUCATION AND TRAINING.

21. The duration of the Training will be about four and a half years. During this period the boys undergo a course of general and technical education, in addition to workshop training. Artificer Apprentices who fail to make satisfactory progress or are guilty of persistent misconduct may be discharged at any time.

Part I.

22. During the first two years they will receive instruction in Practical Mathematics, English, Elementary Science, Heat, &c., in which subjects they will be examined at the end of the second year. Those who qualify in this examination will then be permitted to take the second part of the course.

Part II.

will comprise Applied Mechanics, Workshop Appliances, Electricity, Marine Engines and Boilers and Mechanical Drawing.

At the end of their course of training an examination will be held as to their fitness as workmen, and in the subjects of the second part of the Course.

23. Artificer Apprentices who fail to pass in either Part I. or Part II. will be discharged as a rule, unless special circumstances should justify their retention, when they will be re-examined after a further period of training.

Further details respecting the entry and training of Artificer Apprentices in the Royal Navy are given in the special regulations, published separately, which may be obtained on application to the Secretary of the Admiralty, Whitehall, London, S.W. 1.

5. They will, as "Schoolmaster Candidates," hold the rank of Acting Warrant Officer.

6. An outfit gratuity of a total amount of £50 will be payable, £20 being granted on entry and the balance when the Officer has completed his period of service as Probationary Schoolmaster and has been confirmed as Schoolmaster (*see* Section II.).

7. They will be given a preliminary course of instruction and training. The course will include—

(*d*) Instruction in Fire and Torpedo Control and other subjects to fit them for their Action Station.

(*e*) Information in regard to Service ways and customs, ranks, ratings, their distinguishing marks; a brief survey of Naval History; records of famous ships; Service technical terms, &c.

8. The course will last 22 working weeks, with 4 weeks' leave.

9. An examination will be held at the end of the fourteenth week, followed by 2 weeks' leave. Candidates whose work in this examination is unsatisfactory will be discharged, or will revert to their original rating. Those who reach a standard of special merit and are recommended as likely to prove schoolmasters of exceptional ability will be advanced to "Probationary Schoolmaster" forthwith from the date of examination and be given more advanced instruction.

10. The remainder will continue their previous work and take a final examination at the end of a further 8 weeks' instruction, followed by 2 weeks' leave.

Those who fail to qualify in this examination will be discharged, or will revert to their original rating, unless specially recommended for an additional period of 8 weeks' instruction, in which case the period of 12 months' probation will be extended by a like amount.

Those who reach the qualifying standard will be advanced to "Probationary Schoolmaster" from the date of examination, their order of seniority being that of the final result list.

11. The "preliminary course" will be held in H.M.S. "Defiance" as at present, or at some other suitable centre.

12. In the case of a man who reverts to his original rating, the time served as Schoolmaster Candidate or Probationary Schoolmaster will count as time served in the rating held prior to appointment to the Schoolmaster Branch.

II.—Probationary Schoolmaster (Rank of Acting Warrant Officer).

1. As far as is practicable, Probationary Schoolmasters will be appointed to Home Service seagoing ships as "additional" to work under an experienced Schoolmaster.

2. They will be reported on by their Commanding Officers, on the completion of 5 months' service afloat, as to their fitness for confirmation as "Schoolmasters."

3. Schoolmasters not recommended for confirmation on the completion of 5 months' service afloat will be discharged to the shore or revert to their original rating, unless at the discretion of the Admiralty they be allowed the option of a further period of probation not exceeding 6 months.

4. Seniority as Schoolmaster, when confirmed in the rank, will be reckoned as from the date of entry as Schoolmaster Candidate.

5. The remainder of the outfit gratuity will be granted on confirmation (*vide* Section I., para. 6).

III.—Schoolmaster (Rank of Warrant Officer).

1. All Schoolmasters will be required to take a short re-qualifying course at about the completion of 7, 13, and 19 years' service from entry.

3. Schoolmasters who fail to reach the required standard on completion of a re-qualifying course will be allowed to take the course a second time after an interval of not less than 12 months.

4. Schoolmasters who fail to pass will not be eligible for further increments of pay or for advancement to the rank of Commissioned Officer from Warrant Rank, having regard to the fact that they will be available only for minor appointments. Provision is made in Section XII. for optional retirement with a gratuity.

IV.—Schoolmaster (Rank of Commissioned Officer from Warrant Rank).

1. Schoolmasters will be advanced "automatically" to the rank of Commissioned Officer from Warrant Rank on the completion of 15 years' service, provided that they are recommended and have qualified by Examination.

2. It is to be clearly understood that, as the Schoolmaster Branch are entered as Acting Warrant Officers and no longer serve as ratings, the rule in other branches which allows of automatic promotion to Commissioned Officer from Warrant Rank after 10 years' service in Warrant Rank, subject to satisfactory record, does not apply to this branch.

V.—Advanced Course.

2. The course will include:—

More advanced instruction in technical subjects, and in their application to the special work of the Gunnery, Torpedo, Navigation, and Wireless Telegraphy Schools, and of the Air and Submarine Services.

VI.—Staff for Organisation and Supervision.

1. In order that there may be made available a staff of Schoolmasters to fill positions equivalent to those of "Headmaster" and of "Senior Assistant," and that these may be given the status requisite for their special duties, it has been decided to institute two higher grades to be termed "Headmaster" and "Senior Master," to be confined to a limited number who have been selected by a gradual process of elimination as specially fitted for these responsible positions.

Officers of these grades will hold the ranks of Lieutenant and Commissioned Officer from Warrant Rank respectively.

Senior Master.

2. The number of Senior Masters will not exceed, in the normal course, 25 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit the establishment will be determined by the number of appointments in which the services of a Senior Master are required.

3. In the Schoolmaster Branch, Senior Masters will rank above all "Schoolmasters."

4. Appointments as Senior Masters will be made only into vacancies, and will be by selection from among those Schoolmasters who have passed the Advanced Course, and are recommended as possessing the special qualities requisite for a supervising appointment.

5. Senior Masters will be considered as "Acting" for the first 12 months of their service in that grade.

VII.—Headmaster (Active List).

1. Senior Masters with not less than 3 years' service as such will be eligible for promotion to Headmaster on the Active List.

2. The number of Headmasters on the Active List will not exceed, in the normal course 8 per cent. of the total number of active service Officers of the Schoolmaster Branch. Subject to this limit, the actual number at any time will be determined by the number of appointments in which the services of a Headmaster are required.

3. Promotions will be made by selection as vacancies occur.

VIII.—Headmaster (Retired List).

1. Senior Masters who retire after not less than 10 years' service in that rank will be eligible for promotion to the rank of Headmaster on the Retired List.

2. Similar promotion, as a reward for long and zealous service, will be allowed in the case of specially recommended Schoolmasters who retire after not less than 23 years' service.

IX.—Widows' Pensions, Wound Gratuities, &c.

Widows' pensions, wound gratuities, compassionate allowance, &c., will be according to the scales for Warrant Officer, Commissioned Officer from Warrant Rank, Lieutenant and Lieutenant Commander respectively.

X.—Uniform.

The Schoolmaster Branch will wear the uniform of Officers of their respective ranks, as laid down in W.O. 3502/18, with distinction cloth of light blue.

Brevet or honorary rank shall not count, except where otherwise specifically stated, but the rank of Commodore 1st or 2nd class shall be regarded as a substantive rank. Brevet rank held on the active list prior to or on 25th June, 1925, shall also be regarded as a substantive rank.

If an Officer accepts a temporary rank lower than his substantive rank, and dies in circumstances rendering his widow eligible for a pension at the attributable rate, his widow shall not receive a pension greater than the rate on the attributable scale appropriate to her husband's temporary rank, unless eligible for a higher pension on the ordinary scale appropriate to his substantive rank.

Pensions and gratuities appropriate to higher rank than that last held by the Officer on the active list may, however, be granted in the following cases :—

(*a*) The widows of Officers who were promoted to the rank of Captain, Royal Navy, on the active list, and advanced to the rank of Flag Officer whilst on the retired list, and were retired or married before the 10th November, 1886, may receive pensions and gratuities applicable to the rank last held by their husbands on the retired list.

(*b*) The widows of Officers promoted to Commissioned Officers from warrant rank on the active list prior to the 25th June, 1925, may be granted pensions and gratuities applicable to the rank or relative rank of Lieutenant, Royal Navy, provided that their husbands—

(i) If on the retired list at the date of death, retired after 1st April, 1896 (or in the case of Officers of the schoolmaster branch, after the 10th January, 1910), with the substantive, honorary or relative rank of Lieutenant, Royal Navy, or Lieutenant, Royal Marines, as the case may be; or

(ii) If on the active list at the date of death, were qualified in all respects under the regulations for the grant on retirement of the rank or relative rank of Lieutenant, Royal Navy, in the case of Naval Officers, or of the rank or relative rank of Lieutenant, Royal Marines, in the case of Royal Marine Officers, and had attained the age of 40 years.

3. Pension at the attributable rate may be granted in all cases where death is due to wounds, injuries or disease certified by the competent medical authority to be directly attributable to the conditions of service, provided—

(i) That death takes place within seven years of the date on which the deceased Officer was wounded or injured, or was first removed from duty on account of the disease leading to retirement.

(ii) That the marriage took place before the Officer received the wound or injury or before such first removal from duty.

(iii) In the case of disease, that the officer survived the marriage by at least a year, unless it can be shown that he was manifestly in good health at the time of the marriage; and

(iv) In the event of death after retirement, that the Officer did not elect the conditions of voluntary retirement instead of retirement for disability.

4. The additional gratuity to the widow, together with pension at the attributable rate, may be granted in cases where the Officer is killed in action or dies of wounds received in action within seven years of the date on which the wounds were received.

So long as this rule shall continue in force for Officers of the Royal Air Force, the gratuity to the widow may also be granted in cases where the Officer is killed on flying duty, or while being carried on duty in aircraft under proper authority, or dies of injuries sustained on flying duty, or while being carried on duty in aircraft under proper authority within seven years of the date of the injuries.

5. In cases in which the deaths of Officers are not certified by the competent medical authority to be attributable to the conditions of service, pensions not exceeding the ordinary rate laid down in paragraph 1 of this Order may be granted to widows of Officers other than temporary Officers on the active or retired list of the Royal Navy and Royal Marines at the time of their death, and of permanent Officers of the Coast Guard (not being pensioned ratings), including the Cruiser Service, provided that the total income of the widow be not thereby brought up to an annual sum in excess of the limit laid down in respect of the rank held by her husband at the date of death, in the confidential scale fixed by the Admiralty from time to time. In cases where the total income of the widow would exceed the limit laid down, if a pension at the full ordinary rate were awarded, the Admiralty may, at their discretion, award a reduced pension, but with effect from a date not earlier than the 1st January, 1924. The pension of a widow whose private income increases or decreases, after her pension has been awarded, shall be adjusted or suspended, as may be necessary, and may be increased, or reduced, or restored at the same, or a greater, or a lesser rate, according to the manner and extent to which her income may vary from time to time.

A pension at the ordinary rate shall not be granted to a widow :—

(*a*) If her husband shall have married her after he reached the age of 60.

(*b*) If she was more than 25 years younger than her late husband, except in the case of a widow already married to an Officer on the list on 25th June, 1925.

(*c*) If her husband, being capable of service, should have been excused at his own request from serving when called upon, provided that he had been officially warned that his widow would thereby forfeit the pension.

(*d*) If her husband should have died in the service of a foreign state, unless serving with the permission of the Admiralty.

(*e*) If she had not been married for 12 months to the Officer deceased, unless it be shown that such Officer was manifestly in good health at the date of his marriage, and that his death was not due to injury or disease arising from his misconduct or from any causes within his own control.

(*f*) In the case of Officers who retired after the 10th November, 1886, or Officers retired before that date whose widows are not eligible for pensions under the regulations existing, if the marriage took place after the Officer was removed from the Active List, unless the Officer was subsequently to his marriage, or at the time of his marriage, re-employed in time of war or emergency.

(*g*) If her husband retires with a gratuity on or after the 25th June, 1925, or if he retired with a gratuity only under the provisions of Order in Council of 14th July, 1922, or, being a Medical or a Dental Officer, retired or withdrew with a gratuity prior to 25th June, 1925.

(*h*) Unless her husband shall have had—

(i) In the case of Chaplains already on the list on the 25th June, 1925, if they are still on the list at the time of their death, three years' service on full pay, of which one year must have been subsequent to the marriage, provided the widow is otherwise qualified.

(ii) In the case of Officers promoted after service as ratings in the Royal Navy, or in the ranks of the Royal Marines, 12 months' service in Warrant or Acting Warrant, or in the higher rank, or in the case of pensioners who were granted temporary Acting Warrant rank during the Great War, 12 months' service in such rank.

(iii) In the case of other Officers, including Chaplains, where the conditions under (i) are not satisfied, 10 years' seniority on the Active List in commissioned or warrant rank, or in commissioned and warrant rank combined, or in the case of Officers who retired before the 10th November, 1886, and whose widows are eligible for pensions under the regulations now existing, 10 years' seniority as commissioned Officers either on the active, reserved, or retired lists combined. Should an Officer already on the list and already married on the 25th June, 1925, have five years' seniority or more on the active list, have been in good health when he married, and it be clearly shown that his death was not due to injury or disease arising from his misconduct or from any causes within his own control, the Admiralty may award pensions in such cases as they may think proper.

6. The restrictions in the preceding paragraph shall not be imposed in cases where the Officer dies in such circumstances as would render his widow eligible for a pension at the attributable rate.

7. The widow of an Officer placed on the retired or pension list, on or after the 2nd August, 1910, on account of misconduct, after having completed not less than 20 years' service counting towards retirement or pension may, at the discretion of the Admiralty, be granted a pension if she is otherwise eligible, provided that a deduction of not less than 10 per cent. shall have been made from the retired pay or pension to which, but for his misconduct, the Officer would have been entitled. In such cases, the widow's pension shall be reduced by not less than half the percentage by which her husband's retired pay or pension has been reduced.

8. The widow of an Officer placed on permanent Half-Pay, or on the retired or pension list for misconduct, before the 2nd August, 1910, shall not be eligible for a pension.

9. The pension of a widow who re-marries shall be suspended from the date following that of her re-marriage, but, in the event of her again becoming a widow, her pension may, at the discretion of the Admiralty, be restored for such time as she remains a widow, provided that she is otherwise qualified and that her pecuniary circumstances are such as, in the opinion of the Admiralty, to justify the award. Should she become eligible by re-marriage for a pension at a different rate, she may choose that which is more to her advantage.

Allowances to Children.

10. Allowances to the legitimate children of deceased Officers may be granted at the discretion of the Admiralty at the following rates, provided it be shown that the children have no other allowance, pension, or provision from the Government (except in the case of boys under the age of 18 serving as Subordinate Officers in the Royal Navy), and that in cases where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate, their pecuniary circumstances and those of their family are, in the opinion of the Admiralty, so limited that they actually require assistance.

Where the Officer died in circumstances which would entitle the widow to a pension at the attributable rate :—

Children of	Rates of Allowance per annum. If the Mother is Living. £	Rates of Allowance per annum. Mother-less Children. £
Commissioned officers (including commissioned officers from warrant rank) and equivalent ranks in the Royal Marines and Coastguard	24	40
Warrant officers and equivalent ranks in the Royal Marines and Coastguard	18	30

Where the Officer died in circumstances which would entitle the widow to a pension at the ordinary rate :—

(In such cases, the Admiralty may, at their discretion, grant smaller rates of allowances, if the pecuniary circumstances of the children and the family are, in their opinion, such as to justify allowances, though not at the full rates. Such provision to have effect as from the 1st January, 1924.)

Children of	Rates of Allowance per annum. If the Mother is Living. £	Rates of Allowance per annum. Mother-less Children. £
Commissioned officers (including commissioned officers from warrant rank) and equivalent ranks in the Royal Marines and Coastguard	16	25
Warrant officers and equivalent ranks in the Royal Marines and Coastguard	12	20

The children of an Officer retiring or withdrawing with a gratuity will not be eligible for allowances if the widow is ineligible for an ordinary pension under these regulations, unless the Officer died in circumstances which would entitle his widow to a pension at the attributable rate.

11. The allowances granted to the sons of Officers may be continued until they attain the age of eighteen or are otherwise provided for; and those to the daughters may be continued until they marry or attain the age of twenty-one, whichever shall first happen, and no longer, except in special cases, in which it shall be shown that such sons or daughters are afflicted with a mental or bodily infirmity, rendering them incapable of making adequate exertion for their own support, and that they are still in distressed circumstances, when the allowance may be continued, or revived, should any break of continuity have occurred.

These allowances may be granted or continued after the ages specified in the preceding paragraph in the case of either sons or daughters who are apprentices receiving not more than nominal wages, or who are being educated at secondary schools, technical institutions or universities.

They may also be awarded in special cases where the sons and daughters of Officers who were not in receipt of allowances when under age are rendered incapable of making adequate exertion for their own support through infirmity, dating from a period before the father's death, and before the sons and daughters reached the age at which in ordinary circumstances allowances would cease, provided that they are in distressed circumstances.

12. Children who are being educated at the expense of Greenwich Hospital may be granted the allowances applicable to their father's rank, provided they are in real need.

13. In the event of a widow re-marrying, her children by the first marriage are still eligible for allowances, provided they are otherwise qualified to receive them.

14. Allowances to children are payable from the date following that of the Officer's death to the 31st March next ensuing, and subsequent payments are made yearly in advance from the 1st April in each year.

15. In addition to these allowances, an allowance may be granted, at the discretion of the Admiralty, for the education of the children of Officers who die in circumstances which render the widow eligible for a pension at the attributable rate, provided that the pecuniary need of the family is such as to require it. The allowance shall be at such rate (not exceeding £35 per annum in the case of children of Commissioned Officers and Commissioned Officers from warrant rank, and £25 per annum in the case of children of Warrant Officers) as the Admiralty may think fit, and shall commence on or after a child reaching the age of 8. The continuance of the allowance shall be dependent upon the Admiralty being satisfied as to the education which the child is receiving, and it shall cease at the age of 18, unless the education of the child is being continued at a seconary school, technical school or university, when it shall be within the discretion of the Admiralty to continue it on the recommenation of a competent educational authority.

Allowances to other Dependants.

16. If an Officer dies in circumstances which would have qualified his widow, had he been married, for a pension at the attributable rate, his parent or parents may be granted an annual allowance of such amount as the Admiralty may decide, but not exceeding half the pension the widow would have received, provided—

(1) That the Officer did not leave a widow or legitimate child;

(2) That the parent or parents were largely dependent on the Officer at the time of his death;

(3) That their pecuniary and other circumstances are such as in the opinion of the Admiralty justify the grant.

On the parent, or one of the parents, attaining the age of 65, or if one of them is seriously incapacitated by ill health, the allowance may be increased to such amount as the Admiralty may decide, but not exceeding three-fourths of the pension the widow would have received. A grant shall not be transferable except that if made to the two parents of an Officer it may be continued to the survivor at the rate appropriate to his or her age and state of health.

A grant shall cease on the re-marriage of the grantee.

Brothers and Sisters.

17. Similarly, brothers and sisters of an Officer who died in circumstances which would have rendered his widow, had he been married, eligible for pension at the attributable rate may, collectively, be granted an annual allowance of such amount as the Admiralty may decide, but not exceeding half the pension the widow would have received, and not exceeding £24 (or £18 if the deceased was a Warrant Officer) for any one brother or sister, provided—

(i) That the Officer did not leave a widow, legitimate child, or parent;

(ii) That the brothers and sisters were largely dependent on the officer at the time of his death; and

(iii) That their pecuniary and other circumstances are such as, in the opinion of the Admiralty, justify the grant.

Allowances granted to the brothers and sisters of Officers shall be subject to the same age limits and rules as to continuance and cessation as those laid down for the allowance of Officers' children, except that the grant will not be continued beyond the normal ages, unless in cases of mental or bodily infirmity.

General.

18. A pension or allowance to the widow or other relative of a deceased Officer shall not be claimed as a right. It shall not be granted when the applicant is shown to be unworthy of the public bounty, nor unless the Officer's service has been such as, in the opinion of the Admiralty, to justify the award. It may, at the discretion of the Admiralty, be discontinued in the event of any misconduct rendering the recipient unworthy of such bounty. If the applicant is granted any other pension or allowance from the public on account of the Officer's services, whether in the Royal Navy, Royal Marines, or in any other capacity, the grant permissible under these regulations shall be reduced by the amount of such pension or allowance, but this restriction does not apply to pensions from the Civil List.

19. Subject to any exception which the Admiralty may approve in a particular case, a pension will not be granted to a widow who was living apart from her husband at the time of his death. Any pension so granted will be at such rate within the scales laid down in this Order and subject to such conditions as the Admiralty may determine.

20. Any case in which the deceased Officer's rank is not provided for in paragraph 1 of this Order shall be dealt with according to the Officer's relative rank, ascertained in accordance with the method outlined in paragraph 2 of this Order.

21. The date of commencement of any pension or allowance granted under these regulations will be as the Admiralty may determine in each case. In fixing the date account will be taken of any delay on the part of the widow or other relative in applying for such pension or allowance.

Subject to the foregoing, the date of commencement will be, as a rule, the day following the date of the Officer's death.

22. The benefits granted by these regulations to the widows and other dependants of Officers on the permanent lists shall be extended, subject to the other conditions here laid down, to the widows and other dependants of Officers of the Reserve Forces, or of Officers entered for temporary service only, provided that they die in circumstances which would, had they been on the permanent lists, have entitled their widows to a pension at the attributable rate.

23. If an Officer, Commissioned Officer from warrant rank, or Warrant Officer is killed or dies in such circumstances that any grant is payable

in respect of him under these regulations, and his widow, child or other dependant receives compensation from or on behalf of a third party for the act, omission, or circumstances which caused the death, any such compensation may be taken into consideration in assessing any grant which might be made in respect of the Officer, Commissioned Officer from warrant rank, or Warrant Officer under this Order; and if the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled.

24. If an Officer, Commissioned Officer from warrant rank or Warrant Officer who has been seconded to the Royal Air Force and paid at Royal Air Force rates of pay dies of wounds, injuries or disease directly attributable to the conditions of service in the Royal Air Force, his widow, children or other dependent relatives shall be dealt with as under the Royal Air Force regulations appropriate to his rank in that Force, or under Naval regulations appropriate to his Naval rank, whichever would be more to their advantage, subject to the condition that such award, if made as under the Royal Air Force regulations, shall not exceed that which might have been made had the Officer died on the date of his ceasing to draw full pay in the Royal Air Force.

25. If an Officer's death or the wound, injury or disease which resulted in his death was due wholly or in part to his own negligence or misconduct, or to any cause within his control, any grant which might otherwise have been made under these regulations to his widow or other dependent relative may be withheld or reduced in amount at the discretion of the Admiralty.

The Good Service Pensions of Retired Officers are subject to the general Regulations contained in the King's Regulations and Admiralty Instructions, Art. 2014A.

These Pensions shall not be held in addition to any other Pensions, unless it shall be a pension conferred for wounds or injuries received in the Service.

A Flag Officer shall give up his Good Service Pension if he is appointed Naval Aide-de-Camp to His Majesty.

Good Service Pensions shall be awarded to Flag Officers and Captains for distinguished service at sea, and in determining their claims, preference shall be given, in cases of special gallantry, to Officers who have commanded ships in action against the enemy.

The Good Service Pensions for Flag Officers may be conferred on Officers either on the Active or the Retired List, provided, in the case of Retired Officers, that retirements shall have taken place after attaining Flag Rank, and that the Retired Pay, together with the Good Service Pension, shall not exceed the half pay of an Admiral of the Fleet.

Flag Officers in receipt of these Pensions shall be allowed to retain them after being retired; but, if the Retired Pay and Good Service Pension together exceed the half-pay of an Admiral of the Fleet, the Retired Pay shall be reduced so as to make the two together equal to that amount.

An Admiral of the Fleet on the Active List shall not be allowed to hold any Pension, unless it be a Pension conferred for wounds or injuries received in the Service.

Captains, Royal Navy, shall be eligible for the award of Good Service Pensions while on the Active List only; and shall forfeit them on promotion to be Flag Officers on the Active List.

Captains, Royal Navy, shall relinquish their Good Service Pensions on retirement, and no Captain will be allowed to receive any addition to his retired pay on account of a Good Service Pension held by him upon retirement, except in case of retirement for ill-health caused by the Service. In such cases Officers will receive, at the discretion of the Admiralty, an addition ranging from a minimum of 50*l.* to a maximum of 150*l.*, and the increase over the minimum will be at the rate of 15*l.* for each year's service in excess of 20 years. In no case, however, will the retired pay of a Captain exceed 600*l.* a year.

Flag Officers and Captains are allowed to receive their Good Service Pensions notwithstanding appointment to Full Pay or Civil Salary.

Should any Flag Officer holding a Good Service Pension be in receipt of, or become entitled to a Civil Pension, exceeding the value of his Good Service Pension, the latter Pension shall be suspended so long as he receives such Civil Pension, and the vacancy thus occasioned may be filled up; but, as a rule, it is not intended that more than one such supernumerary Pension shall be in existence at the same time.

Engineer Vice-Admirals, Engineer-Rear-Admirals and Engineer-Captains shall be eligible for the award of Good Service Pensions whether on the Active or Retired List, but when a Good Service Pension is awarded to an Engineer-Captain on the Active List he shall relinquish it on promotion to Engineer-Rear-Admiral, or on retirement.

General Officers of Royal Marines shall be eligible for the award of Good Service Pensions whether on the Active or Retired Lists.

A General Officer awarded a Good Service Pension while on the Active List shall be allowed to retain it on being retired.

Officers retired from the position of Colonel Commandant or placed on the Reserve List of Colonels shall relinquish the Good Service Pension, but they are eligible for the Good Service Pensions for General Officers.

Colonels and Lieutenant-Colonels shall be eligible for the award of Good Service Pensions while on the Active List only, and shall forfeit them on promotion to be General Officers on the Active List.

Medical Officers shall be eligible for the award of Good Service Pensions, whether on the Active or Retired Lists.

Inferior ditto ("Second Class Petty Officer" or a rating ranking as Leading Seaman) ...	7	7	a year.†
Chief Petty Officers are granted in addition, for each year served in that capacity subsequent to the completion of the first period of Continuous Engagement	15	2	a year.

† These rates are doubled for Petty Time with very good character in the case of continuous service Petty Officers, provided they shall have served for one continuous period of not less than TEN YEARS, and shall be discharged to pension from continuous service with the rating of Petty Officers, or with a rating ranking as Leading Seaman.

The system on which Naval and Marine Pensions are based is the same. Colour-Sergeants and equivalent ranks count time as Chief Petty Officers; Sergeants as Petty Officers; Corporals and also Gunners, Privates, Musicians and Buglers, after five years' service on the recognized establishment of a divisional or depôt band, as Leading Seamen; other Marines as Able Seamen.

Where a man has received an injury on duty not incapacitating him for service, a small addition can be made to his long-service pension, or a gratuity may be awarded.

The time during which a man may have borne an indifferent or bad character is forfeited.

Men discharged the Service on account of injuries and wounds attributable to the Service, but not due to the Great War, receive compensation in the form of pensions either for life or for a limited period, or gratuities, at the discretion of the Admiralty, according to the following scales :—

The compensation is based on length of service and degree of disablement, and, when a pension is admissible, will include the usual additions for rank, good conduct badges and medals.

SERVICE ELEMENT.

(*a*) *Pensions*—

*Over 10 years' service, 1s. a day for life.
Over 14 years' service, 1s. 6d. a day for life.
Over 16 years' service, 1s. 9d. a day for life.
Over 18 years' service, 2s. a day for life.
Over 20 years' service, 2s. 6d. a day for life.

If qualified for the award of a long service pension, 1½d. a day for each complete year of pensionable service.

(*b*) *Gratuities.*—Men discharged with less than the qualifying period of service required for the award of a life pension are eligible for the grant of a gratuity not exceeding £2 for each completed year of pensionable service.

DISABLEMENT ELEMENT.

(*a*) *Pensions.*—Where the degree of disablement is assessed at 20 per cent. and upwards, pensions may be awarded either temporarily, or permanently according to the circumstances of the case, on the basis of a maximum scale of 32s. 6d. per week for total disablement (100 per cent.), lower degrees of disablement carrying proportionately reduced rates.

(*b*) *Gratuities.*—If the degree of disablement be assessed at less than 20 per cent., a gratuity appropriate to the degree of disability, but not exceeding a maximum of £100, may be awarded. Gratuities may also be granted in respect of slight permanent injury due to the Service for which a Hurt Certificate was granted, when discharge is totally unconnected with the injury, and the pension or gratuity awarded is based on length of service only.

RANK ELEMENT.

This element comprises the allowance for petty time as laid down in Articles 1938, Clause 1, and 1931, Clause 1, of the King's Regulations and Admiralty Instructions, and the usual additions for good conduct badges and medal as allowed under the Long Service Scale.

METHOD OF COMBINING THE SERVICE, DISABLEMENT AND RANK ELEMENTS.

Men eligible for pensions in respect of both the Service and Disablement Elements will be granted the larger amount in full, and one half of the other; the total so arrived at will be increased by the addition of the Rank Element.

Men eligible for a pension in respect of the S rvice Element and for a gratuity on the ground of Disablement, or vice versa, will have their pensions assessed on the appropriate Service or Disablement scales, plus the Rank Element, and will receive payment in full, in addition to the Disablement or Service gratuity appropriate to their case.

Men eligible for gratuities only in respect of both the Service and the Disablement Elements will receive payment in full.

SCALE OF PENSIONS AND GRATUITIES ALLOWABLE WHEN THE CAUSE OF INVALIDING IS NOT ATTRIBUTABLE TO THE SERVICE.

The compensation is based on length of service and, when a pension is admissible, will include the usual allowances for rank, good conduct badges and medal.

(*a*) *Pensions*—

*Over 10 years' service, 1s. a day for life.
Over 14 years' service, 1s. 6d. a day for life.
Over 16 years' service, 1s. 9d. a day for life.
Over 18 years' service, 2s. a day for life.
Over 20 years' service, 2s. 6d. a day for life.

If qualified for the award of a Long Service Pension, 1½d. a day for each complete year of pensionable service.

The usual additions will be made for good conduct badges and medal as allowed under the Long Service Scale and for petty time as laid down in Articles 1938, Clause 1, and 1932, Clause 4, of the King's Regulations and Admiralty Instructions.

(*b*) *Gratuities.*—Men discharged with less than the qualifying period of service required for the award of a life pension will be eligible for the grant of a gratuity of £2, plus an additional 10s. for each ten degrees of disability in excess of 20 per cent. in respect of each completed year of service.

The foregoing scales are applicable to the persons referred to in Articles 1196 and 1931, Clause 1, of the King's Regulations and Admiralty Instructions, with the exception of those excluded, as regards non-attributable disabilities, by Article 356, provided that the wound or injury or disability is not due to negligence or misconduct on the part of the man, or to his want of proper care. In the latter cases, pension or gratuity may be withheld at Admiralty discretion, or awarded at such reduced rate as may be thought fit.

The disability scales will be subject to reduction at the discretion of the Admiralty in the event of the cost of living falling considerably below its present level. Such reduction, if made, will apply to all such pensions which are being drawn at the date of reduction, as well as to future grants.

Where a seaman or marine is injured in such circumstances that a pension, allowance, or grant is payable to or in respect of him under these Regulations, and where he receives compensation from or on behalf of the person alleged to be responsible for the act or omission which caused the injury, any such compensation may be taken into consideration in assessing any pension, allowance, or grant which might be awarded to or in respect of the man; and where the compensation is received after assessment, it may be taken into consideration and the assessment may be amended or cancelled accordingly.

In the case of non-European Native ratings *who are eligible for the award of pensions under existing Regulations*, i.e., entrants *before* 1st January 1904, the basic rate of long service pension is ¾d. a day for each complete year of pensionable service. In the event of discharge by invaliding the disability pension or gratuity is based on one-half of the rates allowable to Europeans discharged in similar circumstances.

* This rate is restricted to certain men who entered the Service under Continuous Service conditions prior to 1st October, 1921.

* This rate is restricted to certain men who entered the Service under Continuous Service conditions prior to 1st October, 1921.

Native ratings (other than Europeans) *entered on or after 1st January* 1904, are ineligible for the award of pensions except for disabilities attributable to the Service, but those who complete 22 years' qualifying service will be granted a gratuity at the rate of 15*s.* a year for each year of such service, together with a rank addition of £1 and 10*s.* for each year as Petty Officer or Leading Rate respectively. Those who may be invalided after not less than 6 years' service for a non-attributable disability will be granted a gratuity on a similar scale, except that the rank additions will be allowed only for each complete year of service rendered in the capacity of Petty Officer and/or Leading Rate after 14 years' total service. Those invalided on account of injury or disability certified to be attributable to the conditions of service will be awarded compensation at one-half of the Disablement Element rate, ordinarily allowable to white ratings invalided in similar circumstances.

The following special scale of pension is applicable to Officers' Steward and Cook ratings who may be invalided from the Royal Navy for causes not attributable to the conditions of service, and who have no service in sea-going ships in commission :—

	s.	*d.*	
Service 14 to 17 years.	1	6	a day for life.
,, 18 to 21 ,,	1	9	,, ,,

,, 26 to 29 ,,	2	6	,, ,,

together with the usual additions for Good Conduct Badges and Medal as allowed under the Long Service Scale and for petty time as laid down in Articles 1938, Clause 1, and 1932, Clause 4 of the King's Regulations and Admiralty Instructions.

In the case of such Officers' Stewards and Cooks with no service in sea-going ships in commission who may be invalided for causes attributable to the conditions of service the foregoing scale will be regarded as, and substituted for the "Service Element" scale laid down in paragraph 7 (page 158).

2. The Medal may also be granted to all other Royal Naval Reserve men who have satisfactorily completed 15 years' service with the drill or training required during that period, provided they have entered for the fourth period of service, and that their character has never been assessed below "very good" during such training or actual service.

3. To entitle a man of the Royal Naval Reserve to a Medal, he must have been recommended for the award by the Registrar-General of Shipping and Seamen.

4. Time served in the Royal Navy (except mobilised service as a member of the R.N.R.) will not be allowed to count towards the 15 years' service required; but, as regards Royal Naval Reserve men transferred to the Coast Guard, time served in that Force will be allowed to count in cases where the Naval Long Service and Good Conduct Medal is not awarded.

5. Men transferred from the Royal Naval Reserve to the Royal Navy or the Royal Fleet Reserve, and men discharged from the R.N.R. on completion of a term of enrolment or on becoming medically unfit, who enter the Royal Navy and eventually enrol in the Royal Fleet Reserve, may count service in the Royal Fleet Reserve toward the Royal Naval Reserve Long Service and Good Conduct Medal, provided that men entered in the Royal Navy on or after the 1st April, 1908, declared their prior service in the Royal Naval Reserve on entry in the Royal Navy.

6. Men awarded the Royal Naval Reserve Long Service and Good Conduct Medal under the preceding paragraph, who subsequently qualify for the Royal Fleet Reserve Long Service and Good Conduct Medal, will be required to relinquish the former as a condition of the award of the latter.

10. Men who have been granted the R.N.R. Long Service and Good Conduct Medal, and who have served for a further period which would have again qualified them for an award of a medal, may be awarded a clasp to the original medal.

11. The Medal may be granted to a Commissioned Officer who has served as a Warrant Officer, Petty Officer or man in the R.N.R., on completion of 15 years' combined service, but time reckoning for the Medal cannot also be counted for the Reserve Decoration.

12. Chief Skippers, Skippers, Commissioned Engineers and Warrant Engineers are eligible for the above Medal on the completion of 15 years' combined service as an officer and man.

13. The form of application (R.V. 74) which provides for a record and certificate of efficient service should be submitted by the Registrar of Royal Naval Reserve of the man's Home Port to the Registrar-General, who will complete and forward the same to the Admiral Commanding Reserves, who will determine the validity, or otherwise, of any claim for the Medal.

14. When the conduct of a member after he has been awarded the Medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Admiral Commanding. The deprivation will be reported to the Admiralty.

15. A minimum period of three years' " V.G. " conduct is required for restoration of the Medal, and a medal which has been forfeited for misconduct may be restored on the man's discharge from the Reserve at the discretion of the Admiral Commanding, provided the above condition has been fulfilled. Should the man, however, complete five years' " V.G." conduct before he is discharged, the Medal may be restored on completion of that period under Article 778, clause 7, King's Regulations, at the discretion of the Admiral Commanding.

16. When it is desired to replace a Medal which has been accidentally lost, the man to whom the Medal belonged must make a declaration before a Magistrate (or Registrar of Royal Naval Reserve) stating the circumstances in which the loss occurred, together with his rank, name, and R.V. 2 number. This declaration will be sent to the Admiralty through the Registrar-General, and the Medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

This declaration will be sent to the Admiralty through the usual channel in the case of a man who is still serving, and direct in the case of one who has retired. The medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

THE ROYAL FLEET RESERVE.

1. Royal Fleet Reserve men (Classes A and B) who were serving in the Reserve on or after 1st April, 1920, or who served in the Great War, and who have not been awarded the R.N. The conditions laid down in clause 1 (i), (ii), (iv) and (v), will apply to all men. Desertion at any time will render a man ineligible for the award of the medal, except in special circumstances where a man can show the necessary period of service with continuous "V.G." character commencing from the date of recovery from desertion.

The provisions of Articles 751, clauses 4 and 5, and 1192, clauses 4 and 5, King's Regulations and Admiralty Instructions, regarding the effect of reduction to the second class for conduct on eligibility for the award of the Active Service Good Conduct Medal, apply also to the Royal Fleet Reserve Long Service and Good Conduct Medal.

3. Men in possession of the Royal Fleet Reserve Long Service and Good Conduct Medal who subsequently re-enter the Royal Navy or Royal Marines and qualify for the award of the Active Service Long Service and Good Conduct Medal, will be required to surrender the Reserve Medal on being awarded the Active Service Medal.

4. When the conduct of any man after he has been awarded the Medal is considered to be such as to disqualify him from wearing it, he may be deprived of it by the Commander-in-Chief or the Adjutant-General, Royal Marines. The deprivation will be reported to the Admiralty.

5. A minimum period of three years "very good" conduct is required for restoration of the Medal, and a medal which has been forfeited for misconduct may be restored on the man's discharge from the Reserve, at the discretion of the Commander-in-Chief or the Adjutant General, Royal Marines, provided the above conditions have been fulfilled. Should the man, however, complete five years "very good" conduct before he is discharged, the medal may be restored on completion of that period at the discretion of the Commander-in-Chief or the Adjutant General, Royal Marines.

6. When it is desired to replace a medal which has been accidentally lost, the man to whom the medal belonged must make a declaration before a Magistrate (or Registrar of the Royal Fleet Reserve) stating the circumstances in which the loss occurred, together with his rating, name, class, number in the Reserve, and Royal Naval or Royal Marine official number. This declaration will be sent to the Admiralty through the Registrar of the Royal Fleet Reserve, and the Medal will be replaced on payment, if the explanation as to its loss is considered satisfactory.

GOOD CONDUCT MEDAL AND GRATUITY.

Extracts from the King's Regulations and Admiralty Instructions.

751. Men holding any of the Ratings or Royal Marine ranks specified as eligible for the Good Conduct Medal in Appendix XV., Part 1, may be recommended for the award under the following rules :—

2. To entitle a man to a Medal—

(*a*) He must have served for 15 years with continuous "Very Good" character, and with previous character not inferior to "Good," in service reckoning for pension.

NOTE.—In cases where character during pensionable service has been assessed as "Good" on the 31st December in any year, time reckoning for Medal will not commence until the 1st January following.

(*b*) He must be in possession of the full number of badges which he could have earned during his period of service.

(*c*) He must have been recommended for the award by his Captain or by the Colonel Commandant of his Division on his Service Certificate for the three consecutive years immediately preceding his application.

(*d*) He must be recommended by the Captain of the ship or Colonel Commandant of the Division in which he is serving at the time of application.

3. After a man eligible for a Good Conduct Medal under Clause 1 has been awarded 12 years' continuous "Very Good" character as under these Regulations, will count towards the Medal, and if his character should continue to be "Very Good," the Captain of his ship or the Colonel Commandant of his Division, if he considers him deserving thereof, is to enter on his Conduct Sheet or Service Certificate the notations of the recommendations provided for under Arts. 826, Clause 2 and 830, Clause 3.

4. (*a*) Desertion will render a man ineligible for the award of a Good Conduct Medal under the ordinary regulations. Reduction to the second class for conduct will similarly disqualify, except in the circumstances provided for in sub-clause (*b*).

(*b*) If the reduction took place within the first five years of his time under the Regulations in force prior to the 1st January 1913, which did not entail the award of a "Fair" character or limit the period spent in the second class, the punishment will not debar a man from the award, provided that by his good conduct he earned his restoration to the first class within eight months, and that his character for the year in which the reduction occurred was not assessed below "Good." *See* Clause 2 (*a*).

5. The Admiralty will nevertheless consider any recommendation which may be made in special circumstances on behalf of a man who can show 15 years of continuous "Very Good" character, although he may be disqualified for the award of a medal under the ordinary Regulations. A record of 18 years' service with continuous "Very Good" character up to and including the date of recommendation will be regarded as constituting special circumstances, and, in such cases, the recommendation should be made on form S. 218.

6. If a man's conduct should not have been satisfactory during the interval pending the presentation of the medal, it is to be withheld, and the particulars of the case reported to the Admiralty for decision. Similarly, the authority for payment of the gratuity which accompanies the medal (*see* clause 7) is not to be acted upon, unless the decision arrived at by the Admiralty is to the effect that the medal is to be regarded as awarded and deprived, in which case payment of the gratuity may then be made.

7. In the cases of Continuous Service Ratings, Royal Marines and Officers' Stewards and Cooks who become due for pension subsequently to 30th April 1919, the award of a Good Conduct Medal will carry with it, irrespective of rating, a gratuity of £20, payment of which will be authorised by the Accountant-General. Men receiving this gratuity will also be eligible to earn an additional allowance, which will be payable in a lump sum with the first payment of pension on discharge, at the rate of £1 a year for each complete year of qualifying service with "Very Good" character rendered subsequent to the date of award or restoration of the medal.

In the case of native ratings, other than Europeans, who may become eligible under existing regulations for an award of good conduct medal and gratuity, the amount issuable on the award of the medal will be £10, instead of the £20 referred to above.

8. Officers of warrant or higher rank who have been promoted thereto after the award of medal and gratuity will be allowed, on confirmation in rank, to receive payment of any additional allowance that may have been earned up to the date of their promotion. They may also keep and wear the medal.

9. If a man is awarded the character of "Good" instead of "Very Good," after the grant of a medal, the period of service during which the character of "Good" is awarded will not count as qualifying service for the additional allowance, notwithstanding that he may not have been deprived of the medal.

10. If a man is deprived of his medal, he will forfeit the additional allowance already accrued. In the event of the medal being restored before he is pensioned, the amount earned subsequently to the date of restoration only will be awarded.

11. If a man is invalided after having been awarded the medal and gratuity, and before completion of the full time for pension, he will be granted any additional allowance that may have been earned up to the date of his discharge.

12. If a man should die after the award of his medal, any gratuity or additional allowance to which he may be entitled will be paid to his widow, or next-of-kin if dependent upon him.

13. Any man voluntarily quitting the service after the award of medal and gratuity, and before entitlement to a pension, will forfeit all claim to any additional allowance that may have been earned.

14. In cases where men, who have been discharged to pension, are permitted to re-engage for a further period of service subject to relinquishment of pension, such further service will be allowed to count for purposes of the additional allowance under the usual regulations, provided they are qualified in all respects for this allowance.

15. If the Captain of the ship, or the Colonel Commandant of the division, in which the man is serving, should see fit to withhold the required recommendation for medal, or for medal and gratuity, he will fully record in the conduct book, or on form R. 154, his reason for so doing, and draw a line across the "R.M.G." column of the man's service certificate, or the corresponding column of his conduct sheet (Form S.239*a*). *See* 1192, clause 4 (Royal Marines).

16. With the exception specified below, no service can reckon for medal, or medal and gratuity, which does not reckon for pension, but Officers' Stewards and Cooks who have not performed the necessary service in seagoing ships to qualify for pension under Art. 1934, clause 4, will not be debarred from an award of the medal and gratuity, if otherwise eligible.

Native ratings, other than Europeans, who are precluded from counting time for pension purposes by Art. 356, may, nevertheless, be recommended for an award of the good conduct medal, without gratuity, as a mark of appreciation of long and faithful service, if their records of service and character conform to the requirements for an award under ordinary rules.

17. Imprisonment by the civil power shall not prejudice a man's claim to a medal, gratuity, or additional allowance, unless it shall have been so directed by the Admiralty if the man was serving at home at the time, or by the Commander in Chief, if abroad.

18. A break in service not due to desertion, dismissal, sentence of imprisonment or detention, or other misconduct on the man's part, will not be considered as breaking the continuity of his "Very Good" character, or of recommendations for medal, or medal and gratuity provided that he rejoin within five years, or, if invalided, so soon as the state of his health permits.

19. Names of men recommended for medals, or medals and gratuities, are to be transmitted to the Admiralty on Form S. 218, accompanied by their service certificates, or certified copies thereof, by the Commanders-in-Chief and Senior Officers at home and abroad, the Admiral Commanding Reserves, and the Colonels Commandant of Royal Marines through the Adjutant General, Royal Marines, as soon as the men become eligible for them. When the approval of the Admiralty has been received, the medals are, if possible to be presented before the ship's company by the respective Commanding Officers, or, in the case of Royal Marines on shore, by the Colonel Commandant of the Division on parade.

MERITORIOUS SERVICE ANNUITIES AND MEDALS.

ROYAL MARINES.

1193. A sum not exceeding £400 a year is placed at the disposal of the Admiralty to be distributed in annuities not exceeding £20, as rewards for distinguished or meritorious service, to be granted either before or after discharge, to Warrant Officers, Class II., and Sergeants, Royal Marines, and to Bandmasters 1st and 2nd Class, Royal Marine Band, who have completed 21 years' service, or have been granted a life pension on account of wounds or hurts received in action or otherwise in the execution of duty.

The possession of an Army distinguished conduct medal by a Warrant Officer, Class II., or Sergeant, Royal Marines, or by a Bandmaster 1st or 2nd Class, Royal Marine Band may be held by the Admiralty to constitute a preferential claim on the fund, irrespective of length of service, and be taken into consideration when a vacancy for an annuity occurs.

2. The names of Warrant Officers, Class II., and Sergeants, Royal Marines, and Bandmasters, 1st and 2nd Class, Royal Marine Band, who may be considered eligible for this award for distinguished or meritorious service by the Officer under whose command they are serving at the time of their discharge to pension, are to be reported to, and registered in the department of the Adjutant General, Royal Marines, in order that when an annuity becomes vacant it may be granted to the most deserving.

The medal referred to in the following clause will not be granted to a Warrant Officer, Class II., or Sergeant, Royal Marines, or to a Bandmaster, 1st or 2nd Class, Royal Marine Band, who has already been awarded a Meritorious Service Medal under the provisions of Order in Council of the 14th January, 1919.

3. The Warrant Officers, Class II , or Sergeants, Royal Marines, or Bandmasters, 1st or 2nd Class, Royal Marine Band, selected for this honorary distinction shall be entitled to wear a silver medal, having on one side His Majesty's effigy and on the other the words "For meritorious service," and the name of the Warrant Officer, Class II., or Sergeant, Royal Marines, or Bandmaster, 1st or 2nd Class, Royal Marine Band, with the date of its grant; and they will not be liable to forfeiture of the annuity and medal, except by sentence of a Court-Martial, or by conviction of felony by the civil power.

4. Recipients of the Meritorious Service Medal and Annuity promoted to Commissioned or Warrant rank subsequent to 17th March, 1925, will be required to relinquish the annuity on promotion.

1194. Conspicuous Gallantry Medals and Annuities may be awarded to Non-Commissioned Officers and Privates of Royal Marines who distinguish themselves by acts of conspicuous gallantry in action with the enemy, under the provisions of Art. 159.

2. A Warrant Officer may retain an Annuity granted to him before promotion for conspicuous gallantry in action.

NOTE.—The rules as to deprivation and restoration of Medals are contained in Article 778, &c., of the King's Regulations and Admiralty Instructions.

2. *Employment in case of War or Emergency.*—In the event of a Retired Officer being called upon to serve in case of war or emergency, he will receive (*a*) pay as follows :—

If promoted on or subsequently to retirement :—
The rate of full pay of the higher rank.
If not so promoted :—
The rate he was receiving when last on full pay.

The rate of full pay in each case will be subject to any revision that the scale may have undergone since the Officer was last on full pay, and the time served will count for increases of full pay. Unemployed time on the retired list does not count for increase of full pay.

(*b*) Retired pay will be suspended.

(*c*) He will also receive a bonus at the rate of 25 per cent. on the full pay earned (exclusive of allowances), but the time served will not count for increase of retired pay.

In cases where the Officer's retired pay exceeds the full pay of his corresponding rank on the Active List, the payment of retired pay will be continued and the bonus of 25 per cent. will be calculated on the amount of retired pay received during the period of re-employment (exclusive of allowances).

Officers of lower ranks	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment equivalent to the difference between the two scales.

3. *Promotion.*—Officers called from the Retired List during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List, in so far as promotion is dependent on service, *e.g.*, a Warrant Officer may be promoted to Commissioned Officer from Warrant rank on completing 10 years' service, including time served before retirement.

Officers may also be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List, provided that such special promotion does not extend to the granting of Flag rank or of any equal relative rank. As a rule, however, such step in rank will not be granted until the Officer has reverted to the Retired List.

4. *Employment in time of Peace.*—Retired Officers re-employed in time of peace (*e.g.*, during annual manœuvres) will receive (*a*) full pay as in para. 2, and the time served will count for increase of full pay.

To Commissioned Officers from Warrant rank and Warrant Officers, 3*s.* per day, subject to a maximum of 20*s.* in any one year.

To Lieutenant-Commanders and Lieutenants promoted from the above ranks, 4*s.* a day, subject to a maximum of 30*s.* in any one year.

receive in lieu of their retired pay, full pay as in para. 2 (without command money, bonus, or equipment allowance), and allowances of their corresponding ranks on the Active List, but in cases where the Officer's retired pay exceeds the full pay of his corresponding rank on the Active List, the payment of retired pay will be continued. The time served will count for increase of full pay, but not of retired pay.

Cap and badge.	

Mess undress is optional.

7. *Rank and Command.*—Subject to the following provisions as to the right of command steps in rank given on or after retirement will confer the right to the title, uniform and other advantages of the higher rank.

In cases where a step or steps in rank have been granted automatically by virtue of and in strict seniority, the Officers shall take command according to their seniority on the Retired List, subject to the condition that Captains retired from that rank shall in no case take command over an Officer on the Active List of Flag Officers, or over one who has retired from the Active List of Flag Officers.

In other cases steps in rank given on or after retirement shall not give the right of command amongst Naval Officers, which shall be governed by the date of commission in the rank held on the Active List at the date of retirement.

8. *Widows' Pensions, etc.*—In the event of the death of an Officer called out under these regulations in time of war or emergency, pension and children's allowances may be granted to his widow and children on the scale applicable to the substantive rank held by the Officer at the time of his death, irrespective of whether his marriage took place when on the active or retired list.

(*Note.*—For further regulations regarding widows' pensions, etc., including the effect of total or partial commutation of retired pay, *see* page 150.)

All Officers of the Special Reserve will be required to undergo 14 days' training annually, unless specially exempted from such training in any year by the Adjutant-General.

They may also be allowed to come up for voluntary courses not exceeding 42 days in any one year.

Special Reserve Officers will be exempted from training in the year in which they become due for compulsory removal from the list on account of age, without prejudice to their right to receive a proportionate amount of the retaining fee for that year.

Digitized by Google

Special Reserve Officers who fail to carry out annual training will, unless specially exempted from such training, be liable to removal from the Special Reserve and to forfeiture of training fee.

9. *Pay and allowances.*—During training or when recalled to service, Officers appointed under paragraph 2 (*a*) and (*d*) will be paid on the scale applicable at the time to Officers R.M. entered direct, and those appointed under (*b*) and (*c*) on the scale applicable to Officers R.M. promoted from the ranks (*see* King's Regulations and Admiralty Instructions, Appendix I.).

Active and mobilised service only counts for increase of pay, and the rate applicable is therefore the minimum of the respective scales according to rank, unless an Officer has sufficient active or mobilised service in his existing rank to entitle him to an increment or increments.

10. *Outfit.*—On appointment an outfit allowance of £30 will be granted on condition that the Officer refunds one quarter for each year short of four, if he is removed from the Service within four years for whatever cause, subject to waiver in while or in part in special circumstances at the discretion of the Admiralty.

On being called up for service Officers will be granted an allowance of £50 to include Camp Kit, but not to include any expense incurred in respect of Tropical Outfit.

An Officer who was commissioned or called up during War, and received an outfit gratuity, will not receive a further grant of £30 on appointment to the Reserve, but will be granted a special allowance for £10 for provision of Mess Kit, &c., half to be refunded if the Officer does not complete two years in Reserve owing to reasons within his own control.

A refund of gratuity will not be required in cases where an Officer who has received the £30 grant is called up for service before completion of four years, or where, if he has received the £10 grant, he is called up before completion of two years.

Outfit Allowance is granted for the sole purpose of assisting an Officer to provide himself with the necessary articles of uniform, and the Admiralty reserve the right to demand an account of expenditure, and to pay no greater sum than that for which proof of expenditure is produced.

11. *Widow's pension and compassionate allowances.*—Officers who may receive hurts or wounds on Active Service will receive gratuities or pensions on the scale applicable to Officers of corresponding rank on the Active List and Widows, Children and other Dependent Relatives of Officers who die while on Service with the Corps will be eligible for pensions, gratuities, and compassionate allowances, at the rates, and subject to the conditions, from time to time prescribed for the benefit of the Widow, Children or other Dependent Relatives of Officers of corresponding rank on the Active List of the Corps.

12. *Examinations for promotion.*—A Special Reserve Officer will not be eligible for promotion to the establishment of any higher Rank of the Corps.

Promotion in the Special Reserve will be granted as follows, but Officers will be required to pass the examinations laid down before advancement:—

For Lieutenant	...	2 years' service (if attained the age of 21.)
For Captain ...	...	11 years' service.

Exemptions from these examinations will be allowed as in the case of Officers on the Active List.

Temporary Officers appointed to the Special Reserve will be required to pass the examination laid down for their rank, unless exempted.

13. *Removal from Reserve.*—Officers will be removed from the Special Reserve of Officers as follows:—

(*a*) For misconduct.

(*b*) On resignation, if accepted by the Admiralty.

(*c*) If medically unfit for Active Service.

(*d*) At the age of 45, except in the case of Officers appointed under Paragraph 2 (*b*) and (*c*), who will be removed at 50 years of age.

(*e*) On becoming naturalised foreign subjects.

14. *Training fee.*—Subject to compliance with the provisions of Paragraph 8, and the conditions set forth below an Officer of the Special Reserve appointed under Para. 2 (*a*) or (*d*) may be granted a retaining fee of £20 for each completed year of service:—

(*a*) Ordinarily the fee will be payable annually in arrear on or after the 1st January of each year on application to the Accountant-General of the Navy.

(*b*) The first payment will be due on the 1st January following the year in which the Officer completed his first period of training, or, if entered from civil life, in which he was confirmed, and will bear the same proportion to the full annual fee as the number of days subsequent to the completion of training, or to confirmation, as the case may be, bears to the total number of days in the calendar year.

(*c*) Similarly the final payment on the Officer's removal from the Special Reserve, and any other payment that may be due for a period less than a calendar year, will be proportionate to the period to which it relates.

(*d*) No payment will be due in respect of any period during which the Officer is serving, and in receipt of pay from the Crown, during a time of national emergency, but such service will be deemed to be the equivalent of annual training for the purpose of qualifying the Officer for retaining fees during fractional parts of a calendar year preceding and succeeding such service.

(*e*) Whenever the Reserve is mobilised, retaining fees will be suspended from the date of the Royal Proclamation calling out the Reserve, irrespective of whether particular Officers are actually mobilised or not.

(*f*) A retaining fee will not be paid to an Officer after his removal from the Special Reserve for misconduct or for any other cause which, in the opinion of the Admiralty, renders him ineligible.

(*g*) A retaining fee may, however, be paid, if due, to the legal representative of an Officer who dies while a member of the Special Reserve.

15. *Disability Pensions.*—Officers of the Special Reserve who may be awarded pensions by the Ministry of Pensions in respect of disability due to, or aggravated by service during the great war, will be excused training, but payment of retaining fee will be suspended for such time as they continue to draw disability pensions.

Digitized by Google

Such Officers may, at the discretion of the Admiralty, be retained in the Special Reserve for a period of not exceeding three years from the date of commencement of payment of the disability pension, at the end of which time, any Officer still drawing such pension will be removed from the Special Reserve.

16. *Pay during training and when called out for service.*—(*a*) Officers of the Special Reserve who are in receipt of Retired Pay or Pension, when called out for service in time of War or Emergency will be paid under the Regulations applicable to the Reserve of Officers, R.M. (Order in Council, 12 March, 1903, *vide* extract given below). If they attend for training they will receive the full pay and allowances of their rank, but will cease to draw their retired Pay or Pension during such period.

(*b*) In the case of any such Officer in the Special Reserve who has commuted his Retired Pay or Pension, or who received a gratuity on discharge, a deduction will be made from his Full Pay equal to the amount of Retired Pay or Pension commuted, or to the annual value of the gratuity.

17. *Greenwich Hospital Pension.* — Warrant Officers, appointed to Commissions in the Special Reserve will remain eligible for the Greenwich Hospital Pension allowed for Warrant Officers, Royal Marines.

18. These regulations are subject to amendment from time to time as may be found necessary in the interests of the Service.

OFFICERS ON THE EMERGENCY LIST.

GENTLEMEN WHO HAVE RESIGNED THEIR COMMISSIONS IN THE ROYAL NAVY.

(*Under the Provisions of Orders in Council of the 13th May* 1901, 11*th February*, 1913, 5*th July*, 1918, 7*th February*, 1921, *and* 10*th August*, 1921.)

In order that the State may not lose altogether the advantages which it has the right to expect in return for the expenses incurred in the training of Officers, a list of Officers eligible for employment in an Emergency has been established, and the Lords Commissioners of the Admiralty expect that all Officers who are permitted to resign their Commissions on the Active List for private reasons should enrol their names on this list.

Officers so enrolled are allowed to retain their Commissions and to wear the Uniform of their rank at time of resignation, but they do not receive pay, or pension, when not employed.

If called up for Active Service, Officers on this list, if promoted subsequently to being placed on the Emergency List, receive the rate of full pay of the higher rank, and those not so promoted the rate they were receiving when last in receipt of full pay, but unemployed time on the Emergency List does not count for increases of full pay governed by seniority. Officers will also receive outfit gratuities not exceeding the following amounts :—

When employed on combatant duties.	£
Flag Officers, Commodores, and Officers of the same relative rank	40
Captains and Commanders and Officers of corresponding relative rank	35
Lieutenant-Commanders, Lieutenants and Officers of corresponding relative rank...	30
Sub-Lieutenants and Officers of corresponding relative rank	25
When employed on non-combatant duties.	£
Flag Officers, Commodores, Captains Commanders and Officers of the same relative rank	18
Officers of lower rank	15

An Officer transferred from non-combatant to combatant duties will be eligible to receive a further payment, equivalent to the difference between the two scales.

They will also be granted a Bonus of 25 per cent. on the Full Pay (exclusive of Allowances) earned during their employment.

Officers who may receive hurts or wounds on Active Service in the Royal Navy, and the widows and children of Officers who may be killed, or who die of injuries received on Active Service will be eligible for the grant of Pensions and Allowances as if the Officers had been on the Active List.

Emergency Officers voluntarily re-employed (*e.g.*, during annual Manœuvres) will receive in addition to the full pay and allowances of their rank a bonus of 15 per cent. for every pound of full pay (exclusive of allowances) earned by them.

Equipment allowances will be granted at the following rates, provided that no Officer will receive any allowance if less than three years have elapsed between the date of his resignation and the date of his re-employment, and that no allowance will be repeated to the same Officer within a period of five years :—

	£	*s.*	*d.*
To all Officers below the rank of Lieutenant	9	0	0
To Lieutenant-Commanders Lieutenants or Officers of corresponding rank	12	10	0
To Commanders or Officers of corresponding rank	14	10	0

Officers actually selected to fill appointments to be taken up in time of war or emergency, will undergo such instruction as may be considered necessary to fit them for the duties they will be

called upon to perform. Attendance at such courses of instruction will be under the following regulations :—

(*a*) The pay is the same as would be given if called out during war or emergency, except the Bonus.

(*b*) Travelling expenses of Officers attending the Courses are allowed.

(*c*) Plain clothes may be worn, and no allowance for outfit is given.

(*d*) Accommodation when available will be provided if desired.

Ex-Officers who are placed on the List will be shown as such in the Navy List.

Any Officer who withdraws his name from the Emergency List before the age of 55 will be required to resign his Commission.

Engineer Officers placed on the List will be selected from ex-officers whose profession continues to be connected with mechanical engineering. The nature of their employment since the date on which they resigned their commission should be stated by Candidates when volunteering. and also, if selected, once a year after their names are placed on the List.

In the same manner Medical Officers only will be selected who continue to practise their profession. The nature of their present work as medical men should be stated.

Officers called from the Emergency List into active service during war or emergency may be dealt with as regards promotion under the regulations which are in force at the time for Officers of the same class on the Active List.

In special cases Officers may be promoted at the discretion of the Admiralty irrespective of the regulations governing the promotion of Officers on the Active List.

Officers are required to write annually, until they are 55 years of age, on the 1st January to the Secretary of the Admiralty, stating whether they are still fit to serve. After reaching the age of 55 Officers are required to report themselves annually between the 1st January and 31st March by letter to the Editor of the Navy List, otherwise their names will be removed from the List. They are to report at once any change in their address, and before proceeding abroad they must obtain the approval of the Admiralty.

Before Officers on the Emergency List enter into any engagement under or on behalf of Foreign Governments or accept any form of employment which may take them away from the United Kingdom, thus rendering them not available for service in H.M. Fleet at short notice, they must first obtain the approval of the Admiralty.

Gentlemen whose names are placed on the Emergency List as volunteers to serve in case of emergency will be required to fill up and return a form which will be sent to them.

Officers on the Emergency List are not eligible for promotion when not employed, except as stated below :—

Sub-Lieutenants are eligible, at the discretion of the Admiralty, for promotion to the rank of Lieutenant after attaining three years' seniority or on completion of two years' service after being "called out," including service prior to resignation whichever is the earlier date.

Sub-Lieutenants who have been or may in future be promoted to Lieutenant on attaining 3 years' seniority to be eligible for the rank of Lieutenant-Commander on attaining 8 years' seniority as Lieutenant, provided they have completed 2 years' service after being "called out," including previous service as Sub-Lieutenant.

Acting Lieutenant (ex Mates) who have not completed their courses for the rank of Lieutenant to be eligible for confirmation with their Acting seniority.

Mates to be eligible for promotion to the confirmed rank of Lieutenant as from the dates that they would normally have been due for the latter rank had they remained on the Active List, (*i.e.*, between 2 and 3 years' seniority as Mate) provided that to be eligible for promotion before attaining three years' seniority as Mate, Officers must have :—

(1) Served not less than two years as Mate.
(2) Obtained a Watchkeeping Certificate.
(3) been recommended for promotion before resignation.

Mates (E) on the Emergency List who were promoted under normal Regulations are eligible for promotion to the rank of Engineer Lieutenant as from the dates they would have been due normally for that advancement on the Active List, provided that, to be eligible for this promotion before attaining three years' seniority as Mate (E), Officers must have

(*a*) served not less than two years as Mate (E) on the Active List,
(*b*) been recommended for promotion before resignation.

Acting Engineer Lieutenants promoted to that rank from Mate (E) under the special War regulations laid down in King's Regulations and Admiralty Instructions, Appendix X, Part V, Section I, and placed on the Emergency List as Acting Engineer Lieutenants, are eligible for confirmation in the rank of Engineer Lieutenant, with their Acting seniority, on completing one year's seniority in the Acting rank.

Instructor Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty for promotion to the rank of Instructor Lieutenant-Commander on attaining six years' seniority.

Surgeon Lieutenants placed on the Emergency List subsequently to the 1st July, 1919, to be eligible at the discretion of the Admiralty, for promotion to the rank of Surgeon Lieutenant-Commander on attaining six years' seniority if they be recommended by the Director General of the Medical Department of the Navy and have served two years at sea.

(*a*) On completion of two years' service after being called out, including service prior to resignation or
(*b*) on attaining three years' seniority, whichever is the earlier date.

Paymaster Lieutenants placed on the Emergency List subsequently to 1st July, 1919, to be eligible at the discretion of the Admiralty, for promotion to the rank of Paymaster Lieutenant-Commander on attaining 8 years' seniority if their records are satisfactory, subject to their having passed the necessary examination for the corresponding rank on the Active List where required to do so by the Regulations.

17. Naval Cadet.

§ Under Order-in-Council of the 7th January 1915, Engineer Officers form part of the Military Branch. The Order-in-Council provides that they shall not be eligible to take command of His Majesty's Ships, and that in all details relating to the duties of the Fleet and to the discipline and interior economy of His Majesty's Ships they shall be subject to the authority of any Officer who may be in charge of the Executive duties of the Ship, or acting as Officer of the Watch, or specially detailed for the charge of any other special service or duty, of whatever seniority such Officer may be.

5. All Officers of the same denomination in the Military Branch shall rank and command according to the order in which their names stand in the Official List of Officers of the Royal Navy; or, when not inserted in the List, according to the dates of their first Commissions, Warrants, or Orders, in their existing rank. If only acting in the rank, they shall rank and command after Officers holding the corresponding confirmed rank, and in relation to each other shall rank and command according to the order in which their names stand in the Official List of the Officers of the Royal Navy unless the Admiralty may otherwise direct.

6. Officers of the Non-Military Branches shall rank with each other and with the Officers of the Military Branch, the Royal Marines and the Army in the order given in the following table, and shall command in the same order the Officers and men of their own Branch as well as those of any other branch or of the Royal Marines who may be appointed or detailed for duty in their respective departments or placed under their orders by superior authority.

7. Officers on whom a step of temporary or local rank has been conferred under the provisions of Order-in-Council of 21st November, 1855, shall subject to the provisions of Clauses 5 and 6, be entitled to take command and precedence and to enjoy all the privileges and emoluments of the rank in which they are acting.

8. Officers in command of His Majesty's Ships must take rank and precedence of Officers placed under their command on all occasions, whether on shore or afloat.

9. When Commanders, Lieutenant-Commanders, Lieutenants, or Sub-Lieutenants, who are seniors to the Executive Officer, are appointed for Navigating duties, they will succeed to the command of the Ship, in the absence of the Captain; but they are not to take upon themselves the routine duties of the Executive Officer except by order of the Captain, or in case of necessity.

10. All Officers of the Military Branch are liable to be called upon to perform Navigating and pilotage duties in His Majesty's Ships, but the additional pay to Commanders, Lieutenant-Commanders, Lieutenants, and Sub-Lieutenants for the discharge of such duties, is contingent on their having passed the necessary examination in Pilotage.

11. Lieutenant-Commanders, Lieutenants and Sub-Lieutenants appointed for Navigating duties are to take a share in the ordinary duties of their Ships, such as watch keeping, acting as Divisional Officers, &c., but this participation in the ordinary duties is not to interfere with their special navigating duties and is to be arranged at the discretion of the Captain.

12. At Courts of Inquiry, Surveys, and other similar assemblages of Officers, the Officer who in virtue of his office, would under these Regulations take the military command, is in all cases to preside, irrespective of the relative rank of the other members, whose precedence on such occasions shall be determined by the table given on page 178.

RELATIVE RANK OF THE OFFICERS OF THE NAVY AND ARMY.

EXTRACT FROM THE KING'S REGULATIONS.

The relative rank of Officers of the Navy with each other and with Officers of the Army shall, subject to the exceptions provided for in Chapter III. of the King's Regulations and Admiralty Instructions, be as laid down in the following Table, and shall in every case take effect according to the dates of their respective commissions, or appointments, unless the relative rank is granted at the discretion of the Admiralty, or is dependent on the attainment of seniority or completion of service. In the latter case it shall take effect from such attainment of seniority or completion of service in the particular rank.

(For TABLE *see* p. 178.)

Nothing contained in these regulations is to be considered as giving a claim to any Officer of the Navy to assume command of His Majesty's Land Forces on shore, nor to any Officer of the Army to assume command of any of His Majesty's Squadrons or Ships, or of any of the Officers or men thereunto belonging, unless under special authority from the Government of His Majesty.

When Officers of the Navy are employed on shore on joint service with His Majesty's Land Forces, their relative rank shall carry with it all the precedence and advantages, except command, attaching to the rank with which it corresponds, and shall regulate the choice of quarters, rates of lodging money, servants, forage, fuel, and light, or allowances in their stead.

The precedence of the Naval Commander-in-Chief in the East Indies is regulated by the Royal Warrant of precedence in India.

It is His Majesty's pleasure that the following rules be observed in the Colonies in regard to the precedency of Naval and Military Officers in command of His Majesty's Forces :—

(*a*) The Officer in command of His Majesty's Naval Forces on the Station, if of the rank of an Admiral, and the Senior Officer in command of the troops, if of the rank of a General, are to have precedence next after the Governor, their own relative rank being determined by the Regulations on that subject. Governors of other Colonies shall rank next after such Naval and Military Officers.

(*b*) The Senior Officer in command of the troops, if of the rank of Colonel or Lieutenant-Colonel, and the Officer in command of His Majesty's Naval Forces on the Station, if of equivalent rank, are to have precedency next after the Bishop and the Chief Justice, their own relative rank being determined by the regulations on that subject.

(*c*) The Officer in command of His Majesty's Naval Forces on the Station, and the Senior Officer in command of the troops, if below the rank of Colonel or Lieut.-Colonel are to continue to take rank, as has heretofore been the case, next after the Solicitor-General.

Whilst, however, these rules will take effect in every place in which His Majesty's Instructions, communicated through the Secretary of State, avail for the purpose, they will not override the precedence which in a few Colonies is conferred upon certain Officers, either by law, or by the terms of Letters Patent from the Crown; which instruments cannot be set aside or altered except by the issue of others having the same form and equal authority.

(1) Officers of the Royal Naval Reserve, and Royal Naval Volunteer Reserve, with the exception of those referred to in Clause 2 below, rank with, but after, Officers of the Royal Navy of corresponding rank in the order here given, *e.g.*, Lieutenants R.N. rank before Lieutenants R.N.R., before Lieutenants R.N.V.R., and Lieutenants R.N.V.R. before Sub-Lieutenants R.N., whatever their seniority may be.

(2) Lieutenant-Commanders and Lieutenants R.N.R. and R.N.V.R. holding qualified status (distinguished in the seniority lists in the Navy List by the symbol (*) rank with Officers of the Royal Navy of corresponding rank according to their dates of seniority.

(3) Officers holding acting rank, rank *immediately* after the Officers holding the same confirmed rank in the same service, *e.g.*, acting Lieutenants R.N. rank after Lieutenants R.N. (confirmed), but before Lieutenants R.N.R. (confirmed) (provided the latter are not qualified officers).

(4) Royal Naval Volunteer Reserve Officers other than those referred to in Clause 2 above are not to assume any Naval command or authority whatsoever, unless ordered to do so, by superior Naval Officers. (Art. 172 K.R. & A.I.)

PRIZE MONEY.

GEORGE, R.I.

Whereas Her Majesty Queen Victoria was graciously pleased by Her Royal Proclamation of the 17th September, 1900, to regulate, according to the Scheme set forth therein or recognised thereby, the distribution of the net proceeds of prizes captured from the enemy, &c.:

And whereas by an Order in Council, dated the 28th August, 1914, We were pleased to cancel the system of distribution described in the above-mentioned Proclamation as regards Prizes captured from the enemy, and to declare that in lieu thereof it was intended to substitute a system of Prize Bounties or Gratuities for more general distribution to the Officers and Men of Our Naval Forces:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

We do therefore now make known to all Our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the net produce of all such Prizes captured during the present War as shall be

declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the abovementioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives.

GOD SAVE THE KING.

REGULATING THE DISTRIBUTION OF PRIZE MONEY TO THE FLEET.

GEORGE R.I.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of Our Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas by the Naval Prize Act, 1918, it is provided that if We are pleased to signify Our intention to make a grant of Prize Money to Our Fleet out of the proceeds of Prizes captured in the present War, such Prize Money shall be of such amounts and payable to such members of Our Naval and Marine Forces and in such manner as We by Proclamation or Order in Council may determine:

And whereas We were pleased by Our Proclamation of the 15th August, 1918, to order and direct that the net produce of all such Prizes captured during the present War as shall be declared by the Tribunal appointed under the said Act to be Droits of the Crown, and of all other sums which under that Act shall be paid into the Naval Prize Fund, shall be for the entire benefit and encouragement of the Officers and Men of Our Naval and Marine Forces as defined in the abovementioned Act, and shall be distributable in accordance with the said Act, and further, that when the Lords Commissioners of the Admiralty shall judge that there is a sufficient sum standing to the credit of the Naval Prize Fund to warrant it, a distribution shall be made in the shares and proportions and in the manner and in accordance with the Regulations We may hereafter announce by Our Royal Proclamation to such members of Our Naval and Marine Forces as may be qualified to share therein, or in case of their death to their representatives:

We do therefore now make known to all Our loving subjects and to all others whom it may concern, by this Our Proclamation, by and with the advice of Our Privy Council, that Our Royal Will and Pleasure is and We do hereby order and direct that the said distribution shall be made in the shares and proportions hereafter mentioned at such time as the Admiralty may determine to those members of Our Naval and Marine Forces as aforesaid who have during the present War performed service at Sea in Our Ships and Vessels of War in accordance with the following Regulations or in case of their death to their representatives:—

1. Service at sea shall be defined as having been borne for service at sea on the books of a seagoing Ship of War which goes to sea or on the books of a parent Ship for service in armed seagoing tenders.

2. Offensively Armed Auxiliary Vessels serving with Our Fleet shall be deemed Ships of War, including Armed Boarding Vessels, Trawlers, Drifters, and Vessels of the Auxiliary Patrol.

3. In any case of difficulty the Lords Commissioners of the Admiralty are empowered to determine what Vessels or Classes of Vessels shall be regarded as Ships of War for the purposes of the distribution and what nature of service afloat shall be considered as sea service and harbour service respectively.

4. As regards Our Royal Naval Air Service, trained Pilots and Observers, the crews of Our Naval Airships and others who have had to fly continuously at sea shall, while borne on the books of one of Our Ships and attached to a Naval Air Station, be considered to have been performing service at sea, but no service at a Training Establishment or whilst employed on shore for service with Our Army or the Armies of any of Our Allies shall be so considered.

5. Participation at the full rate shall be allowed to each individual Officer and Man who has performed service at sea as above defined for a period of not less than 30 months between the 4th August, 1914, and 11th November, 1918, or such later date as may be fixed by the Lords Commissioners of the Admiralty, to cover the cases of Officers and Men taking part in subsequent hostilities at sea. For lesser periods the rate shall be proportionate to the number of months so served, one month to be the minimum period of service at sea to qualify for participation, and final broken periods of 15 days or more to count as one month, but no one who shall be qualified to participate in the distribution shall be allotted a less amount than 1*l.*

6. The maximum rates which could have been earned to be allowed, irrespective of actual time served at sea, in all cases in which, before completion of the qualifying period, Officers and Men lose their lives in action or by other casualty whilst on service at sea, or either die, are invalided, or are certified as medically fit for shore service, only, as a result of wounds or injuries so received.

7. A similar rate to be allowed in all cases in which Officers and Men die or are invalided on account of disease attributable to the Service, provided that at least ten months of the qualifying period has been served.

8. Prisoners of War captured, under circumstances which cast no reflection on themselves, whilst serving afloat or disembarked from seagoing Ships of War for operations on shore, shall receive the maximum rate which could have been earned, irrespective of the time served at sea.

The cases of individuals interned in Neutral Countries shall be decided by the Lords Commissioners of the Admiralty.

9. Each individual shall be allotted the number of shares, according to the scale appended, due to

the rank or rating in which he has served at sea, and if in more than one the number due to the higher, provided that such rank or rating has been held during service at sea for at least six months (including paid acting time), and that any subsequent reduction or reversion has not been due to misconduct.

10. Commodores and other Officers serving as Chief of Staff or Captains of the Fleet shall share as if they were in command of a Squadron or Ship.

11. The Officers in command of Motor Boats and Launches shall receive the shares of Officers of their rank not in command.

12. All persons temporarily employed in Our Naval Forces shall share in the classes to which the ranks or ratings to which they are temporarily appointed may belong or be deemed equivalent.

13. Supernumerary Officers and Men doing duty on Our Ships and Vessels of War shall share according to the Ranks which they hold in the Service.

14. No person who has incurred forfeiture of Prize Money under the Naval Discipline Act, or who is discharged from the Service for misconduct, shall be entitled to share.

15. In the event of any difficulty arising with respect to any of these Regulations, or if any case should occur not herein provided for, the Lords Commissioners of the Admiralty shall be competent to issue such directions thereon as may appear just and expedient.

The distribution is to be made so that each Officer and Rating entitled to participate shall receive shares according to his class as set forth in the following scales—the relative ranks mentioned being those laid down in the Regulations and Instructions for the government of Our Naval Service, the Instructions for the government of the Coast Guard Service and the Regulations for the government of the various classes of the Reserve, or, if not so laid down, as determined by the Lords Commissioners of the Admiralty :—

At the Court at Buckingham Palace.

The 27th day of April, 1918.

Present:

The KING'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of His Majesty's Ships of War in respect of Awards made in the several cases therein mentioned, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under the direction of the Lords Commissioners of the Admiralty in the shares in that behalf specified in any Royal Proclamation or Order in Council:

And whereas His Majesty was pleased, by an Order in Council dated the 24th October, 1916, to authorize the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of captures and seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the abolition of the Slave Trade, for the capture and destruction of Pirates and Piratical Vessels, and of the rewards conferred for the same, as also of the awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, when not otherwise specially apportioned by the terms of the respective awards and allowances, and all other moneys whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth in the said Order:

And whereas it is considered expedient to amend the Scale of Distribution contained in the said Order in Council of 24th October, 1916, so as to provide for a fixed number of Shares to be allotted to Flag Officers and Commanding Officers in lieu of the proportions set forth in the said Order in Council of 24th October, 1916, and to make other adjustments:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to cancel the above-mentioned Order in Council of the 24th October, 1916, and to authorise the distribution under the direction of the Lords Commissioners of the Admiralty of all Prize Bounty, also the net proceeds of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, and also when not otherwise specially apportioned by the Terms of respective Awards and Allowances, of the Awards for all salvage granted to the Crews of His Majesty's Ships and Vessels of War, and all other Monies whatsoever granted to be shared among the Officers and Crews of His Majesty's Ships and Vessels in the manner of Prize Money, except those arising from Prize of War, in the shares and under the Regulations set forth below:

"1. The net amount distributable shall be distributed in Classes, so that each Officer, Man, and Boy, composing the complements of His Majesty's Ships and Vessels of War, and actually present on board at the time of such Service and every person present and assisting shall receive shares according to his Class as set forth in the following scale, the relative Ranks mentioned being those laid down in the Regulations and Instructions for the Government of His Majesty's Naval Service, the Instructions for the Government of the Coast-guard Service, and the Regulations for the Government of the various classes of the Reserves, or if not so laid down, as determined by the Lords Commissioners of the Admiralty.
